## Technique Of Solar Returns:

**The Technique of Solar Returns** Alexandre Volguine,1976      **Solar Return, Or, Varshaphal** Kumar Gopesh Ojha,2005      **Solar Return Insights: Unlocking the Secrets of Your Astrological Year** Pasquale De Marco,2025-04-24

Embark on a transformative journey of self discovery with Solar Return Insights Unlocking the Secrets of Your Astrological Year This comprehensive guidebook unveils the profound wisdom of solar returns empowering you to harness the cosmic energies that shape your destiny Within these pages you will discover the significance of solar returns the personal astrological new year that holds the key to unlocking your potential for growth and fulfillment Through in depth exploration of key planetary placements aspects and house positions you will gain a deep understanding of how the cosmos influences your life s trajectory Learn to interpret your solar return chart and uncover the secrets of retrograde planets revealing the challenges and opportunities that lie ahead Delve into the art of solar return progressions gaining insights into the dynamic nature of your astrological blueprint This book is your ultimate companion for navigating life s major transitions whether they be career shifts relationship milestones health matters or spiritual awakenings Discover how to set intentions identify areas for growth and cultivate positive mindsets and habits aligning your life with the cosmic forces that guide your path Whether you are a seasoned astrologer or a curious seeker of self knowledge Solar Return Insights offers a wealth of practical guidance and profound insights Embrace the wisdom of the stars and embark on a journey of transformation unlocking the secrets of your solar return and creating a life of meaning purpose and limitless potential If you like this book write a review on google books      **Solar Returns** Ciro Discepolo,2011-06-01 In the opinion of the Author this book should be studied together with the other titled Transits and Solar Returns because this one is over all about the technique of Solar Returns starting from the meaning of a Solar Return and continuing with the calculations to get a SR Solar Return and a lot of related technical problems like By What Strength a Solar Return Works Which Place You Should Consider to Calculate a Solar Return Long and Short Ascension Signs How to Make Manual Calculations What is the Annual Progression of Sidereal Time From When to When a Solar Return Works How Long it Is Necessary to Remain in the SR Location What Happens if the Time Zone Changes The Results of the Last Researches For example in the latter we read Remember that Saturn is always stronger than Jupiter or Venus or the Sun So if you place in a SR chart a Saturn close to Midheaven and contemporarily you place Jupiter or Venus exactly joined to Midheaven your SR Tenth House will work as Saturn works and not as Jupiter or Venus In the book there are also sixty examples of Solar Returns in order to explain in a very practical way all the theory and the interpretations contained here The Ascendant of the SR in the Radix Houses Celestials in the SR Houses etc It is the first full length volume by Ciro Discepolo about Solar Returns and it has been revised many times since 1993 to the present

Prediction Techniques Regarding Romance Ana Ruiz,2006-02 Relationships are such a vital part of our lives and what better way than astrology is there to help understand their nature direction and outcome Prediction Techniques Regarding

Romance provides the tools needed to answer pressing questions concerning such matters and clearly illustrates how they are to be applied. The author has put together the many astrological systems available such as Arabian Parts horary charts, lunations, composite charts, transits, progressions and much more. Actual case studies are provided for added insight along with simple calculation instructions.

**Aimed solar and lunar returns. What you can do when you cannot leave** **Ciro Discepolo**, 2009. English speaking readers fond of Astrology already know the Author thanks to his previous works *Transits and Solar Returns* and *Lunar Returns and Earth Returns* which have also been translated into several other languages. In a practice of almost forty years of astrological research the Author has studied and guided over twenty thousand aimed birthdays; he has also published a dozen books specifically on Solar Returns and Lunar Returns. This is his fifth work in English; two of them can be downloaded free from his webpage [www.cirodiscepolo.it](http://www.cirodiscepolo.it). In this volume **Ciro Discepolo** deals with the second resource on which his Active Astrology is based, the first one being the aimed birthday, the so called exorcism of symbols. In these pages the Author suggests to the Reader about what can be done when you cannot aim, i.e. actively relocate your birthday, either your Solar or Lunar Return, by a practical application of the notion of activating or constellating a symbol. For example, **Ciro Discepolo** claims that if you can not leave for an aimed birthday to avoid Saturn being placed in the 5th House of your next Solar Return during the twelve months covered by the SR, you had better devote more time to your kids, help them in their studies or in their sporting activities, pay the fee to enrol them in a course perhaps abroad where they could learn new subjects and or nurture and improve their condition in a broad sense. Planet by planet, House by House, this volume contains all the suggestions of the Author on the exorcism of symbols, a useful practice also in the case you do relocate your Solar and or Lunar Returns. For example, if you have willingly left some dissonant position in your map of Aimed SR or of Aimed LR and you wish to lower the threshold of risk a little more. The volume also explains the philosophical and psychological roots justifying the practice of the exorcism of symbols.

**The Astrology Book** **James R Lewis**, 2003-03-01. The most complete and affordable single volume reference on Astrology available anywhere. This massive 928 page tome is the definitive work on celestial forces and the influence of the stars and other heavenly bodies on human personality, behavior and fate. *The Astrology Book: The Encyclopedia of Heavenly Influences* defines and explains more than 800 astrological terms and concepts from air signs to Zeus and everything in between. Students of the sun and stars and the laypeople interested in knowing more about those passionate Scorpios or intuitive Pisceans can examine the total astrology culture, famous astrologers, heavenly bodies, explanations and interpretations of every planet in every house and sign, even pesky technical terms. And to further them on their star quest, *The Astrology Book* includes a special section on casting a chart. It also includes a table of astrological glyphs and abbreviations, a helpful bibliography, an index and a list of organizations, books, periodicals and websites dedicated to the study of the influences reigning from the heavens. The wealth of information it contains makes it one of the most useful guides to astrology available today.

**Solar Returns: An Introduction** **Sara Shipman**, Did you

know that every birthday the universe gifts you a new astrological chart that allows you to discover where your life is headed for the next twelve months All you have to do is decode your Solar Return Chart to take control of events and in this book Sara Shipman tells you how Solar Returns are one of the best tools of predictive astrology and all the best tools are simple to use In this book Sara Shipman introduces you to Solar Return chart interpretation using a keywords approach to analysing the planets houses and rising sign in your Solar Return chart To keep things easy Sara bases her chart analyses in this book on four main questions what when where and how and the answers to those questions are written in your stars In this book Sara explains what a Solar Return forecast is how it works and why it s different from your natal chart She explains how Solar Returns work in cycles and looks at the question of timing your forecast When can you expect to notice you new Solar Return chart taking effect Is it an immediate noticeable change or does it overlap with the previous year s chart These and many other questions will be answered by Sara s in depth analysis of the planets retrograde planets and astrological houses in your solar return chart Sara also looks carefully at the importance of the rising sign in your Solar Return chart The main objective of this book is however to provide you with the resources to begin making your own interpretations So to simplify matters each section of the book has a full keywords list for each planet house and rising sign to open up the full range of possibilities available to you when interpreting your Solar Return chart Sara Shipman is an astrologer blogger and writer

**Know about Predictive Techniques** Shanker Adawal, The study of any horoscope is based on analyzing the Natal chart It is important as in any other science to start from the basics and the basic fundamentals should always remain the base In this book the author has tried to explain the first principles which are important while making predictions and working on them He has also tried to explain about certain planets such as Mars Saturn Rahu and Ketu which are usually the dreaded planets Also have briefly touched on the predictive techniques while talking about financial prospects education and marriage This book will be equally useful for amateur and research scholars [Llewellyn's Truth About Your Birth Chart](#) William W. Hewitt,2025-05-23 Live the life you truly desire with the powerful insights of your birth chart Make informed decisions about money your love life career choices family matters health problems and hundreds of other issues In The Truth About Power in Your Birth Chart you ll discover Mini profiles that tell you a great deal about yourself The big picture of your life Astrological symbols and terms What astrology can do for you and what it cannot
