Skills, Training and Retraining Required to Match the New Occupational Profiles in Commerce and Offices International Labour Organisation. Advisory Committee on Salaried Employees and Professional Workers. Session, International Labour Office, 1993      7th World Congress, 1-4 September 1986: Technological change and labour relations International Industrial Relations Association. World Congress, 1986      **Consequences of Technological Developments in the Postal and Telecommunications Services, Together with an Examination of the Conditions Governing Participation in Decision-making Concerning the Introduction and Utilisation of New Technologies** International Labour Organisation. Joint Committee for Postal and Telecommunications Services, 1991      *Liberal Neutrality* Andrew Reeve, Robert Goodin, 2018-12-07 Originally published in 1989 Liberal Neutrality approaches the recommendation of neutrality by confronting the abstract prescription that we should be neutral with the implications for particular people and institutions This not only identifies what neutrality involves logically but also exposes the practical difficulties that may be encountered in pursuing it In some cases such close examination shows that neutrality is not desirable and in others that it is attainable only within certain limits Although neutrality has become a fashionable term in political theory this is the only volume to subject the idea to systematic scrutiny It will be useful not only to specialists in diverse disciplines political scientists philosophers sociologists lawyers and educationalists      *Work, Inc.* Edmund Byrne, 2010-09-09 Examining legal and philosophical problems for a new social contract that is fair to workers      **Technological Change: the Tripartite Response 1982-85**, 1985      **Labour Information** International Labour Office, 1991 This reference book provides a core list of publications in the labour field covering both reference materials and selected ILO publications in English It covers employment training labour relations labour administration working conditions and environment social security promotion of equality and workers education      *Working Together* International Labour Office, 1991      *Current Issues in Labour Relations* Alan Gladstone, Russell Landsbury, Jack Stieber, Tiziano Treu, Manfred Weiss, 2019-07-08 No detailed description available for Current Issues in Labour Relations      **Bulletin of the Bureau of Labor Statistics**, 1990      **Yearbook of the United Nations, Volume 39 (1985)** United Nations, 2023-08-28      **New Technology (Routledge Revivals)** Greg J. Bamber, Russell D. Lansbury, 2013-12-19 First published in 1989 this book presents a unique comparative perspective on the relationship between technological change and human resource management Following a detailed introduction chapters deal with a variety of issues including managing change industrial democracy and employee involvement gender and structural change International and well renowned authors provide an authoritative analysis which will be of particular interest to students of Business and Management organisational and technological change Economics and Sociology      New Technologies in the 1990's, 1988      **Technology and Contemporary Life** P.T. Durbin, 2012-12-06 Nearly everyone agrees that life has changed in our technological society whether the contrast is with earlier stages in Western culture or with non

Western cultures Modernization is just one of various terms that have been applied to the process by which we have arrived at the peculiar lifestyle typical of our age whatever the term for the process almost all analysts agree in finding technology to be one of its key ingredients This is the judgment of critics of all sorts anthropologists historians literary figures sociologists theologians Volume 4 in the Philosophy and Technology series brings the perspectives of philosophers to bear on the issue of characterizing contemporary life mainly in high technology societies Some of the philosophers look at the issue directly Others focus on work life or on the living arrangements that surround or condition or offer refuge from work life in technological society Still others reflect on particular technologies especially biotechnology and computer technology that are increasingly affecting both work and family life There is also a paper on the nature of thinking in technological praxis along with two papers on whether it is appropriate to export this sort of thinking to Third World countries and another paper on the issue of responsibility in technology which would have fit better in volume 3 of the series entitled Technology and Responsibility 1987 Finally volume 4 closes with a broad ranging bibliography that takes work and technology as its focus
