there is the omen A relentless rain stops suddenly at 3 00 am and Chester shows Harold and Howie a cat carrier open and waiting by the front door Chester who has been reading avidly about the paranormal predicts that they will soon be traveling someplace and chances are they are not going to like it Indeed they are not as the very next day with the sun shining bright and clear the Monroes finally leave for their vacation dropping Chester Harold and Howie off at the scene of some previous harrowing experiences Chateau Bow Wow the boarding kennel that Chester so aptly had dubbed Howliday Inn And this visit promises to be no less harrowing than the last one The three are greeted by a whole new group of temporary residents There s Hamlet the Great Dane whose sadness grows deeper with his certainty that his beloved master Archie will never return to pick him up And Bob and Linda a pair of yuppie puppies from fashionable Upper Centerville who have been left at Chateau Bow Wow with a more than adequate supply of gourmet treats also seem to have been left with a more than adequate supply of worries Then there are Felony and Miss Demeanor sinister sisters in crime who pride themselves as cat burglars and The Weasel who tries almost too hard to make a good impression Chester is certain that nothing bodes well and he is right Unexplained voices buried bones a collar with the name Rosebud on it and a secret code all make for a paranormal experience that none of the guests at Chateau Bow Wow will ever forget Bunnacula Strikes Again! James Howe,2011-12-20 Let s just say the matter is under control Chester slyly tells his pals Harold and Howie But what on earth does he mean It seems that Bunnacula the vampire rabbit is back to his old ways or so Chester thinks having found pale vegetables drained of their juices scattered about the Monroe family kitchen And now once and for all Chester is determined to save the world from this threat But why has Bunnacula so frisky just a short time ago been so listless and tired of late Is this part of Chester s scheme Can Harold let Chester get away with hurting an innocent bunny no matter what his harebrained suspicions are It is not long before the Monroes notice Bunnacula s condition and rush him to the vet and then the chase is on ending up with a dramatic confrontation in a most unusual and dangerous location Nighty-Nightmare James Howe,2012-01-24 An overnight camping trip Not Harold s idea of fun Too many mosquitoes ticks and cockleburrs But when the Monroe family set out their faithful dog Harold was with them mostly because he remembered that camping could also bring s mores and toasted marshmallows Howie the other family dog and Chester the cat were also included in the trip Only Chester thought the idea was completely insane The woods he informed Harold were not only full of cockleburrs and ticks but of spirits evil spirits who prey on the innocent And on this the worst night of the year St George s Eve when all spirits are set loose who knew what could happen What Harold knew was that Chester was a well read over stimulated cat full of weird ideas He did not take Chester s worries too seriously He had s more to think about But then the Monroes set up camp near two strange men and their even stranger dog and things began to happen that made even Harold wonder Could Chester be right This begins a long night full of terrors and alarms full of Chester s horrifying tale of how Bunnacula the vampire bunny was born and came to America full of storms and a total sense of danger and at the end came surprises that

even Chester could not have predicted Once again the Monroe family may be the victims of evil forces or only of Chester's strange imagination But whichever the result is suspenseful and very very funny **Also Known as Elvis** James Howe,2015-04-14 Skeeze Tookis navigates a pivotal summer of first crushes and tough choices in this conclusion to the bestselling and acclaimed quartet that began with The Misfits Skeeze Tookis also known as Elvis isn't looking forward to this summer in Paintbrush Falls While his best friends Bobby Joe and Addie are off on exciting adventures he's stuck at home taking care of his sisters and working five days a week to help out his mom True he gets to hang out at the Candy Kitchen with the awesome HellomynameisSteffi but he also has to contend with Kevin Hennessey's never ending bullying And then there's the confusing world of girls especially hot and cold Becca his maybe crush And the dog that he misses terribly And the dad who left two years before whom Skeeze is convinced is the cause of all his troubles In the words of the King Skeeze Tookis is All Shook Up Skeeze's got the leather jacket of a tough guy but a heart of gold and his story the fourth and final chapter of the beloved Misfits series is brimming with life's tough choices love in all directions and enough sweet potato fries to go around **Pinky and Rex and the School Play** James Howe,2016-06-28 Pinky and Rex is the perfect series for early readers learning to read and navigate friendships Pinky really wants to be an actor and is sure he'll get the lead in the school play Rex on the other hand wants nothing to do with being on stage She's afraid she'll forget her lines or worse Everything changes when Pinky convinces Rex to go with him to the tryouts Will Pinky and Rex still be best friends when the show is over **Dew Drop Dead** James Howe,1990 A hero gaining popularity with readers across the country Sebastian Barth proves that a romp with foul play is best served with plenty of humor and surprises from start to finish **Pinky and Rex and the New Neighbors** James Howe,2016-06-21 Pinky and Rex learn to say goodbye to their close neighbor and welcome a new one Pinky's neighbor Mrs Morgan is going to move Sure she used to be a mean old witch but now she's a special friend to Pinky and Rex They know they'll visit Mrs Morgan often at her new apartment but who will be Rex's new neighbors And what will they be like
