 starts to provide the American citizens with facts about what they are doing instead of making decisions that they believe are

 American citizen is telling them When we make every member accountable we will be starting the process of Taking Back
 America The citizens of the United States need to express our opinions to the representatives of our local districts and make
 sure that they understand we will not be voting for them in 2012 if they do not start acting in the best interest of the people
 Could it be that the reason that the main stream media is always backing the Democrats and the unions is because they are
 union shops That is correct The main stream media are union shops and therefore are usually biased in their reporting in
 favor of the Democrats and the unions This sure explains some of their very biased articles *Sunset* ,1919 **California.
