Tomlinson, 2019-03-13 An avid reader of naval history since my father's service in World War II I had been struck by the marked contrast between the touching personal depictions of WW II photo journalism and the dearth of portrayals of sailors as persons not just undefined elements of crews Frederick Harrod would observe Enlisted personnel are the forgotten men of naval history 1 As a youngster I witnessed the first two years of World War II by hanging around recruits at the Naval Training Station San Diego California While commissioned a line officer my father proved too old for front line duty so he was assigned to the legal staff as station deputy Provost Marshall a position suited to his civilian profession of lawyer and US commissioner for Santa Barbara and Ventura Counties California **Teddy Roosevelt at San Juan** Peggy Samuels, Harold Samuels, 1997 Termed a Southern gothic musical Ghost Brothers of Darkland County was scripted by novelist Stephen King with the music coming from maverick heartland rocker John Mellencamp a collaboration a bit left field for both artists This set includes Mellencamp's songs interspersed with key dialogue from King's libretto and while the story might be too complex essentially it's the tale of two brothers involved in a murder suicide whose ghosts haunt an isolated cabin and whose tragic deeds and consequent fate seems about to be repeated by their living nephews to be truly appreciated in single disc form like this so it's Mellencamp's songs sung by the likes of Elvis Costello Neko Case Sheryl Crow Dave and Phil Alvin real life brothers whose estrangement with each other ended while working on this project Taj Mahal Ryan Bingham Clyde Mulroney Rosanne Cash and Kris Kristofferson Mellencamp only sings on one song here the summing it up last track Truth that are really left to carry things They certainly work as songs and may well be among the best Mellencamp has ever written while the overall sound of the whole musical suite crafted by T Bone Burnett is kind of like a sparse and shined up version of a late period Tom Waits album due in part to the presence of multi instrumentalist Marc Ribot on most of the tracks and the tight spare rhythm section of Jay Bellerose on drums and David Piltch on bass The performances Elvis Costello sounds gleeful and sinful on That's Me identity and fulfillment are key themes of Ghost Brothers of Darkland Country that and history's tendency to repeat itself Neko Case is sassy and sure on That's Who I Am Kris Kristofferson sounds old wise and weary on How Many Days Taj Mahal rages through Tear This Cabin Down and Sheryl Crow is confident and cocky on Jukin while Rosanne Cash turns in a delicately worn and wise reading of You Don't Know Me and for a story that spans decades and generations it's obvious that everyone is singing about who they are who they ought to be and who they ended up becoming It's difficult to say how good this musical is just from the songs and pieces of dialogue presented here but the songs have a

weary inevitable flow to them as if fate forced them into a dark room with little light or air or chance of redemption Redemption comes with acceptance of who one is the songs and story here seem to say and only then can the real truth about what has happened to anyone really be revealed It s a ghost story after all Steve Leggett Teddy and the Hordesmen's Master Simon M Garrett,2014-11-12 When you ve annoyed a Yorebear things are never again the same Teddy and Gundy have been warned that The Yorebear is awake and he s almost certainly coming after them All they have to stop him are the contents of a notebook written over four hundred years ago which doesn t seem to hold the slightest hint how to prevent him from killing them both But it s worse than that Teddy s family are also involved Simon Joanne three year old Bertie and little baby Oli they ve all helped Teddy or been seen with him and they re all targets for The Yorebear s next attack Oddly however The Yorebear s first strike is in a completely unexpected place as ruthless as it is sudden so as well as trying to protect those he loves Teddy has to risk all to help out some old freinds who have been badly affected Teddy and Gundy will need to work together to overcome the fear all around them to defend their family and face a possible war It s a lot to ask of two stuffed toys And creeping unseen a force lurks in the woods that could push everyone to their limits and beyond **Bully for You, Teddy Roosevelt!** Jean Fritz,1997-01-27 Today s preeminent biographer for young people brings to life our colorful 26th president Conservationist hunter family man and politician Teddy Roosevelt commanded the respect and admiration of many who marveled at his energy drive and achievements An ALA Notable Book A School Library Journal Best Book of the Year
