Teen Moms The Pain And The Promise:

Teen Moms Evelyn Lerman, 1998-01-01 *On Becoming a Teen Mom* Mary Patrice Erdmans, Timothy Black, 2015-02-06

In 2013 the New York City Public Health Department placed public service announcements on trains and buses and at transportation stops that showed photos of frowning or crying children saying such things as I m twice as likely not to graduate high school because you had me as a teen and Honestly Mom Chances are he won t stay with you What happens to me Campaigns like this support a public narrative that portrays teen mothers as threatening the moral order bankrupting state coffers and causing high rates of poverty incarceration and school dropout These campaigns demonize teen mothers but tell us nothing about their lives before they became pregnant In this myth shattering and often deeply disturbing book sociologists Mary Patrice Erdmans and Timothy Black tell the life stories of 108 brown white and black teen mothers They expose the problems that cause distress in these young women s lives and that are often overlooked in pregnancy prevention campaigns Some stories are tragic and painful marked by child sexual abuse partner violence and school failure Others are less devastating depicting girl next door characters whose unintended pregnancies expose their lack of contraception and unwillingness to abort Offering a fresh critical perspective on the links between early childbirth and social inequalities *On Becoming a Teen Mom* demonstrates how the intersecting hierarchies of gender race and social class shape the personal stories of young mothers Provided by publisher MTV and Teen Pregnancy Letizia Guglielmo, 2013-05-30 In 2009 *16 and Pregnant* premiered on MTV closely followed by the spinoffs *Teen Mom* and *Teen Mom 2* Because of their controversial portrayals of teenage mothers the shows have received ongoing media attention While some argue that the programs could play a factor in reducing the number of teen pregnancies others claim the shows exploit young women and glamorize their situations Among these debates there have been surprisingly few in depth discourses that discuss the roles such shows have on teenage audiences In *MTV and Teen Pregnancy* Critical Essays on *16 and Pregnant* and *Teen Mom* contributors from a variety of backgrounds and expertise offer potent essays about these programs Divided into four parts the book tackles the controversial representations of teen pregnancy from various disciplines Part I explores gendered social norms and the shows roles as either educational resources or idealized depictions of teenage motherhood Part II prompts readers to consider the intersections of race class gender and the social and cultural power structures often glossed over in these programs Part III focuses on teenage fathers the portrayal of masculinity and good vs bad parents Part IV draws from TVs representations of reality to discuss the impact of these shows on the viewing audience This section includes a narrative from a teen mother who argues that the shows do not accurately reflect the life she leads As the debates about *16 and Pregnant* and *Teen Mom* continue this collection provides a valuable critical discourse to be used both inside and outside the classroom Those engaged in courses on gender and women s studies as well as media studies social work and family and childhood development will find *MTV and Teen Pregnancy* especially insightful as will those involved in community outreach programs

not to mention teens and young mothers themselves **The Pain and the Promise** Glenda Alice Rabby,1999 This book covers the civil rights movement in Tallahassee Florida during the 1950s and 1960s **Foster Parent Handbook** Mary Rapshaw,2002-04-11 BECOME A FOSTER PARENT A mom dad house and dog do not make a home Everyday there are children who experience this sad fact when they are removed from their home due to neglect or abuse Not every foster child has a foster family In some regions foster children must wait for long periods of time in shelter care More than one half million children in the United States rely on foster families to provide a safe and loving home Many wonderful and caring families would like to open their homes to these children but are clueless about how to get started There are many misconceptions myths and misunderstandings surrounding foster care These concerns must be shattered and waiting children must be nurtured This book details for prospective foster parents the requirements qualifications and screening process Step by step foster parents are guided through the crucial decisions and directed to the vital information they will need to foster parent effectively Foster Parent Handbook provides an indispensable guide for navigating through the foster care system It is designed for use by prospective foster parents those who are currently foster parents and professionals providing foster care services *A Dressmaker's Threads* Evelyn Lerman,2013-04-12 *A Dressmakers Threads* The Life and The Legacy of My Russian Immigrant Mother is about a remarkable woman a dressmaker who with a sick husband and an infant escaped from the Czars Armies landing at Ellis Island in 1920 Her courage her fearlessness her work ethic her sense of humor and her love for education drove her to 18 hour workdays and success To her success meant having the ability to take care of her sick husband before the days of medical insurance and sending her three daughters to college She did it all with grace and joy reveling in her childrens progress learning English with an accent she could never forgive in herself and enjoying life to its fullest Her legacy lives on in her children grandchildren and even the great grandchildren who never knew her **Parenting** David M. Haugen,2014-05-08 Editor David M Haugen has compiled several essays that debate the real and perceived teen rights related to becoming parents at a young age Issues such as the options for continuing education during pregnancy and afterwards and the rights of teen fathers are discussed Financial support and responsibilities for teen parents are also explored Material is drawn from a diverse selection of primary and secondary sources with particular emphasis on Supreme Court and other court decisions **Infant Massage--Revised Edition** Vimala McClure,2010-05-05 Discover the gentle art of Infant Massage In this completely updated version of her renowned classic Vimala McClure founder of the International Association of Infant Massage and its premier proponent in the United States helps you master the techniques of infant massage so you can incorporate this joyful and wonderful healing art into your baby s life She shows you why a daily massage can be one of the greatest gifts you give your child and yourself For generations mothers the world over have known that the soft stroke of their hands soothes calms and communicates their love to their babies Now scientific research proves that massage can do all that and more In *Infant Massage* McClure shares how massage benefits children

easing discomfort releasing tension helping premature infants gain weight even helping asthmatic children improve breathing function She explains each step of the massage process with simple easy to follow instructions and delightful photographs demonstrating each stroke You ll also find Specific routines tailored to help relieve colic fever chest and nasal congestion Modified instructions for premature infants and babies with special needs Helpful hints on dealing with crying and fussing Lullabies rhymes and games to enhance the massage experience Guidance for teaching children about good touch A special chapter dedicated to fathers Compassionate advice for foster and adoptive parents And much more **The**

Boundaries of Her Body Debran Rowland Esq,2007-03-01 Whatever your political beliefs if you are a woman you must know what the law says about you The Boundaries of Her Body is the definitive history of the cycle of advances and setbacks that characterizes women s rights in America Author Debran Rowland covers emotionally charged issues with thoughtful detail offering insight into the strategies used by politicians and lobbyists to defeat long standing law The defeat for women s rights is an emotional and often polarized debate A debate over what a woman is What a woman ought to be And what a woman should therefore be allowed to do Today the future of women s rights is in jeopardy If I had to guess at the future for women I would say we stand to lose many more significant battles and the rights that go with them if we don t begin to abandon the niceties of a comfortable life with educated opinions and start waging the kind of aggressive no holds barred guerrilla war that our opponents have been riding to victory from the Epilogue to The Boundaries of Her Body Rowland combines provocative arguments with exhaustive research and affirms that in spite of advancements the boundaries of women s bodies will continue to be a source of bitter contention in the law Debran Rowland brilliantly argues the continuing inequality of women s rights in America with the most meticulous and comprehensive research in our times Betty Friedan author of The Feminine Mystique **Teen Pregnancy** Myra Immell,2001 Each year in the United States nearly 1 million girls between the ages of fifteen and nineteen become pregnant The text looks at the realities of teen sexual activity the theories for preventing and reducing teen pregnancy the tough choices that pregnant teens are faced with and offers personal stories from young mothers **Pregnant! What Can I Do?** Tania Heller, M.D.,2015-10-02 Each year in the United States just under a million teenage girls become pregnant Approximately three quarters of these pregnancies are unintended and more than a quarter of them end in abortion A small percentage of teen parents choose adoption This work serves as a guide for the pregnant teenager in getting help making the right choices and building a better future It provides in depth discussion of the three choices adoption parenting and abortion available to pregnant teenagers and presents interviews with teens who chose each of these options This work also provides information for teenage girls about discovering that they are pregnant the thought processes and reactions they may have what they can do where they can go for help what they can do to take control of their situation the role of their child s father and the prevention of unwanted pregnancies A listing of numerous resources for pregnant teens is also included **Bibliotherapy** Amy Recob,2008-10 Everyone has dealt with at

least one of the issues listed in this book at some point in his her lifetime Whether that issue was conquered with the help of a loved one through therapy or is still weighing on the individual the therapeutic power of the book is often overlooked The reassurance gained when an individual learns that they are not the only one can open several doors of communication and can put one on the road to recovery or coming to terms with an issue In schools bibliotherapy can greatly increase the connectivity of curriculum to the individual student cover **Teenage Pregnancy** Auriana Ojeda,2003 In this anthology authors discuss the causes of teenage pregnancy and possible solutions Chapters include Is Teenage Pregnancy a Serious Problem What Factors Contribute to Teenage Pregnancy What Options Are Available to Pregnant Teenagers How Can Teenage Pregnancy Be Reduced Adolescent Health Care Lawrence S. Neinstein,2008 This practical easy to use guide is a staple in health care facilities that treat adolescents is widely used for board preparation and is recommended by the American College of Physicians for their internal medicine library The substance abuse section has been completely reorganized and new chapters cover psychosomatic illness as well as complementary medicine **Kliatt Young Adult Paperback Book Guide** ,1997 Teen Pregnancy Patrice Cassedy,2002 Discusses the social causes of teen pregnancy problems faced by pregnant teens and the alternatives available to them the impact of parenthood on teens of both sexes and approaches to the problem Torn 2: Passion, Pain & Promise Ella Johnson,2016-03-08 Ella s bestselling work The Torn Series is a collection of books about the life of Melissa Williams Throughout the series you ll feel as if you re walking right alongside Melissa through her life s journey You ll need to buckle up because the Torn Series takes you on an emotional roller coaster ride Not only will you cry through her struggles but you ll also celebrate in her triumphs Throughout the Torn Series you ll see Melissa make some good and not so good decisions in her life Despite all that the hardship she s experienced it seems as if Melissa is constantly caught in the middle of one crisis after the next Torn 2 Passion Pain Promise is Ella s recollection of events that take place years after Melissa and Kalin s day in court Over the years Patrick has struggled with his feelings for Melissa but after all this time something surprisingly happens that forces him to turn up the heat in Miami Melissa s faith continues to be tested to the extent that she has to make some critical decisions that could possibly end in destruction for her and her entire family Although some of the children are away from home and seemingly doing well Sharelle Amber Princess and Justice are still at home but will they be able to adjust to the new changes In Torn 2 Passion Pain Promise you ll be scratching your head until you find out who sends Melissa over the edge Will she recover this time Unfortunately there may not ever be a next time Across town Stevie returns to Miami for his first time sold out comedy event but what was meant to be an enjoyable event turns out to be a nightmare when Melissa s darkest secret is revealed What is it that sends him back to California with a broken heart It s always been said that where there s no pain there s no gain but does Melissa s pain gain her anything Books, Babies, and School-age Parents Jeanne Warren Lindsay,Sharon Enright,1997 A guide for teachers and administrators that provides information on how to develop coordinate and teach in an

effective program for pregnant and parenting teenagers Includes a listing of resources for teen parents and professionals

Your Pregnancy and Newborn Journey Jeanne Warren Lindsay, Jean Brunelli, David Crawford, 1998 Discusses nutritional medical and social aspects of teenage pregnancy and teenage parenthood **Pain and Promise** Edward Simmen, 1972 The past decade has seen the dramatic emergence of the Chicano or Mexican American from passive endurance of century old indifference and injustice at the hands of Anglo society Such figures as Cesar Chavez in California Reies Lopez Tijerina in New Mexico and Jos Angel Gutierrez in Texas are but the most visible signs of this far reaching renaissance of ethnic pride and power The thirty two essays in this volume consider the Chicano movement from many different points of view Written by both Chicanos and Anglos they trace the history of Chicanos in this country detail the forms of oppression they have faced describe the new movements that have begun to promote active change and carefully consider the different paths of protest resistance and action among which Chicanos now must choose The result is a much needed book that places in clear focus one of the most important political and social movements of our country today
