the READS curriculum enables school librarians to deliver a dynamic balanced library program that addresses AASL's Standards for the 21st Century Learner *West Virginia Libraries*, 1999 **Serving Young Teens and 'Tweens** Sheila B. Anderson, 2006-11-30 Notable teen experts and stellar practitioners from across the country explain why library service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with tween appeal Contributors include Sheila B. Anderson, James Rosinia, Deb Taylor, Robyn Lupa, and Kristine Mahood. Brimming with valuable insights and fresh ideas as well as nuts and bolts directions, this is a must read for all librarians who work with young adolescents. If someone is described as a young adult, what image comes to mind? In fact, a young adult can be a twelve year old middle schooler or a high school graduate. Libraries have traditionally offered a variety of programs and services for YAs and although more emphasis has been given to serving teens in recent years, little has been done to distinguish between groups within the category and meet the specific developmental needs of this broad range of library users. This collection complements Anderson's previous collection *Serving Older Teens* by focusing on the needs of tweens and young teens ages 11-14. This is the age range when many young people stop using the library and lose interest in reading. Notable teen experts and stellar practitioners from across the country explain why service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group. Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with tween appeal. Contributors include Sheila Anderson, James Rosinia, Deb Taylor, Robyn Lupa, Brenda Hager, and Kristine Mahood. Brimming with valuable insights and fresh ideas as well as nuts and bolts directions, this is a must read for all librarians who work with young adolescents. *Enhancing Teaching and Learning* Jean Donham, Chelsea Sims, 2019-03-30 Rapid change calls for informed leadership. The goal of Donham's text has always been to help school library professionals make a difference in the educational experience and academic attainment of students in their schools. With the addition of new co-author Sims, a junior high school librarian, this newly revised fourth edition rises to the challenge with updates and enhancements that confirm its value as an important resource for both LIS students and current school librarians. Covering all aspects of the school system including students, curriculum and instruction, principals, district administration, and the community, it demonstrates how to interact and collaborate in order to integrate the school library program throughout these environments. Inside, readers will find myriad real world examples of issues in school librarianship and evidence based practice discussion of such urgent topics as the educational needs of the iGen, those born between 1995 and 2012, changing reading habits, the influence of the media and news literacy, and other issues related to the proliferation of fake news, updates which touch upon the new AASL Standards, inquiry based learning, assessment, and library program evaluation, specific tactics for establishing the library program as an active player in teaching and learning, and

overview of education related technology such as course management systems the virtual library makerspaces information presentation and data representation tools like ScreenCast and Google Maps online home school communication and online student safety and privacy and end of chapter discussion scenarios that explore opportunities for the practical application of concepts Reflecting changes professional theoretical legal and political in both the library field and education this new edition of a groundbreaking school library text will equip readers to be leaders at their schools and in their communities
