One Year of Ugly Caroline Mackenzie, 2020-07-07 A sparkling account Publishers Weekly of the uproarious adventures that befall the Palacio family during their disastrous illegal residence in Trinidad that poignantly captures the complexities of dysfunctional families and passionate but sometimes messy romance After fleeing crumbling volatile Venezuela Yola Palacio wants nothing more than to settle into a peaceful new life in Trinidad with her family And who cares if they're there illegally aren't most of the people on the island But life for the Palacios is far from quiet and when Yola's Aunt Celia dies the family once again finds their lives turned upside down For Celia had been keeping a very big secret she owed a LOT of money to a local criminal named Ugly And without the funds to pay him off Ugly has the entire family do his bidding until Celia's debt is settled What Ugly says the Palacios do otherwise the consequences are too dreadful to imagine To say that the year that follows is tumultuous for the Palacios is an understatement But in the midst of the turmoil appears Roman Ugly's distractingly gorgeous right hand man And although she knows it's terrible and quite possibly dangerous Yola just can't help but give in to the attraction Where though do Roman's loyalties lie And could this wildly inappropriate romance just be the antidote to a terrible year of Ugly Combining the spark of Imbolo Mbue with the irresistible wit of Maria Semple *One Year of Ugly* is a delightfully fun enormously fresh debut Bookreporter that brilliantly explores cross cultural struggles and assimilation from a unique immigrant perspective and introduces us to an extraordinary new voice in contemporary fiction
