Modern American Drama: Playwriting in the 1980s Sandra G. Shannon, 2019-11-14 The Decades of Modern American Playwriting series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes Each volume equips readers with a detailed understanding of the context from which work emerged an introduction considers life in the decade with a focus on domestic life and conditions social changes culture media technology industry and political events while a chapter on the theatre of the decade offers a wide ranging and thorough survey of theatres companies dramatists new movements and developments in response to the economic and political conditions of the day The work of the four most prominent playwrights from the decade receives in depth analysis and re evaluation by a team of experts together with commentary on their subsequent work and legacy A final section brings together original documents such as interviews with the playwrights and with directors drafts of play scenes and other previously unpublished material The major playwrights and their plays to receive in depth coverage in this volume include David Mamet Edmond 1982 Glengarry Glen Ross 1984 Speed the Plow 1988 and Oleanna 1992 David Henry Hwang Family Devotions 1981 The Sound of a Voice 1983

and M Butterfly 1988 Maria Irene Fornes The Danube 1982 Mud 1983 and The Conduct of Life 1985 August Wilson Ma Rainey's Black Bottom 1984 Joe Turner's Come and Gone 1984 and Fences 1987 Why the 80's Were Awesome/Aweful Brandon Bishop,2024-01-25 It's so easy to say that the 1980s were awesome But were they really Here's a case by case study on whether or not the decade of the 1980s was an awesome one or an awful one Or maybe it was a healthy dose of both Let's get nostalgic and dive back into the colorful and blissfully ignorant 1980s Political Fellini Andrea Minuz,2015-10-01 Federico Fellini is often considered a disengaged filmmaker interested in self-referential dreams and grotesquerie rather than contemporary politics This book challenges that myth by examining the filmmaker's reception in Italy and by exploring his films in the context of significant political debates By conceiving Fellini's cinema as an individual expression of the nation's mythical biography the director's most celebrated themes and images a nostalgia for childhood unattainable female figures fantasy the circus carnival become symbols of Italy's traumatic modernity and perpetual adolescence **TV Guide** Stephen F. Hofer,2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium **No Child Left Different** Sharna Olfman,2006-01-30 A stellar group of authors from across disciplines explains the alarming increase in the use of psychotropic medications questions the causes and presents disturbing thoughts regarding this phenomenon and the risks it creates for children They take an in-depth look at the conditions that have led to drugging our children and stress how emotional social cultural and physical environments can both damage and heal young minds And they challenge the model that maintains that psychological disturbance is genetic and thus requires medication This is riveting reading for all who care about the youngest members of society Over the past 15 years there has been a 300 percent increase in the use of psychotropic medications with girls and boys under the age of 20 and prescriptions for preschoolers have skyrocketed A stellar group of authors from across disciplines explains this increase questions the causes and presents disturbing thoughts regarding this phenomenon as they describe the risks it creates for children While there are certainly extreme cases where drugs are the only option medication rather than psychotherapy and counseling has become the first choice for treatment rather than a last resort The experts who joined forces for this book take an in-depth look at the conditions that have led to drugging our children and stress how emotional social cultural and physical environments can both damage and heal young minds The so-called medical model one maintaining that psychological disturbance is genetic and thus requires medication is challenged in this volume Contributors range from a pediatrician who has testified before Congress and been featured in a Time magazine cover story to a top child psychiatrist who is an official for the American Academy of Child and Adolescent Psychiatry along with a well-known child psychiatrist psychologists environmentalists and a public policy consultant This is riveting reading for all who care about the youngest members of

society Among other issues this work looks at controversy over whether psychiatric medications are safe or effective for children and what little we know about their effect on still developing brains as well as the role of corporate interests in the increased use of psychotropics for children Chapters address the role of environment in both causing and curing disorders more and more often diagnosed in our youngsters from ADHD depression and anxiety to eating disorders The core questions addressed by this sage group of contributors are these Why are so many children being diagnosed with psychiatric disturbances and given drugs Why have drugs become the first treatment of choice to deal with those disorders

Out of the Garden Stephen Kline,1993 This timely and innovative book provides a detailed history of marketing to children revealing the strategies that shape the design of toys and have a powerful impact on the way children play Stephen Kline looks at the history and development of children s play culture and toys from the teddy bear and Lego to the Barbie doll Care Bears and Teenage Mutant Ninja Turtles He profiles the rise of children s mass media books comics film and television and that of the specialty stores such as Toys R Us revealing how the opportunity to reach large audiences of children through television was a pivotal point in developing new approaches to advertising Contemporary youngsters he shows are catapulted into a fantastic and chaotic time space continuum of action toys thanks to the merchandisers interest in animated television Kline looks at the imagery and appeal of the toy commercials and at how they provide a host of stereotyped figures around which children can organize their imaginative experience He shows how the deregulation of advertising in the United States in the 1980s has led directly to the development of the new marketing strategies which use television series to saturate the market with promotional character toys Finally in a powerful re examination of the debates about the cultural effects of television Out of the Garden asks whether we should allow our children s play culture to be primarily defined and created by marketing strategies pointing to the unintended consequences of a situation in which images of real children have all but been eliminated from narratives about the young
