*Character Theology* Tom Steffen, Ray Neu, 2024-02-21 Character Theology provides a natural universal way for the world to engage God through his chosen cast of characters As the media eras continue to change oral to print to digital virtual too many Bible scholars and consequently pastors and Bible teachers in the West and beyond lack capability to effectively communicate Scripture to Millennials Gen Z and Gen Alpha These generations find little if any relevance in the Christianity promoted by those stuck in modernity's sticky abstract systematic theology Character Theology relates sticks and transforms these generations Why Because people grasp and engage God most naturally and precisely through his interaction with biblical characters and their interaction with each other Characters communicate the Creator's characteristics The roadmap to the recovery and expansion of Christianity in the twenty first century will be through Bible characters

What's the Big Idea? Thomas H. Davenport, Laurence Prusak, H. James Wilson, 2003 Explores where new ideas come from how to evaluate which ideas are worth pursuing and how to customize ideas to suit an organization's unique needs

Behaving as a Christ-Believer Rikard Roitto, 2021-12-02 This study contributes to the understanding of how first century Christ believers particularly those who shared the imagination of Ephesians experienced the relation between their social identity as Christ believers and behavior norms In order to understand this a number of theories from the cognitive sciences are used in combination with historical critical methods After a theoretical survey of relevant cognitive theories and discussions about the epistemological problems of using cognitive theories on historical texts the theories are used to understand how Ephesians imagine the relation between identity and behavior norms and b the potential group dynamic effects of this imagination The result is a demonstration of how Ephesians are able to create a coherent narrative beginning with God's agency and ending with behavior norms and facilitating psychological and group dynamic effects such as intergroup distinction self esteem cognitive certainty and consensus among group members intragroup cooperation moral judgment and inclusion marginalization motivation to remain committed and last but not least a sense of capacity and obligation to act morally

*Agent-Mediated Knowledge Management* Ludger van Elst, Virginia Dignum, Andreas Abecker, 2004-01-26 This book presents a coherent and well balanced collection of revised papers focusing on agent mediated knowledge management Most of the papers are extended and improved versions of work presented at the Symposium on Agent Mediated Knowledge Management AMKM 2003 held

during the AAAI Spring Symposium in Stanford CA USA in March 2003 also included are 3 special articles including a detailed introduction to the topic by the volume editors The 28 papers are organized in topical sections on collaboration and peer to peer support agent based community support agent models for knowledge and organizations context and personalization ontologies and semantic Web agents and knowledge engineering      **Agent Culture** Sabine Payr,Robert Trappl,2004-06-11 This volume began with a workshop of the Austrian Research Institute for Artificial Intelligence held in 2001 Concerned with embodied agents as cultural objects and subjects the book is divided into three parts It begins by drawing attention to the cultural embeddedness of technology in general and agent design in particular as a reminder that
