The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor Feminist Bookstore News ,1998 I Never Read Thoreau Karen Saum, 1996 Hearing news of an impending raid by Immigration officials Jill of all trades Alex Adler rushes to Monte
