Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs **Telling Fortunes** Alvin Schwartz, 1990 A collection of traditional beliefs popular sayings and superstitions that can be used as games to determine the future *Fortune Telling* Stuart A. Kallen, 2004 For centuries people have used astrology I Ching tarot cards and palm reading to foretell future events Though some fortune tellers have proved to be frauds their predictions are sometimes extraordinarily accurate How these methods are able to predict the future remains a mystery **The Wiccan's Dictionary of Prophecy and Omens** Gerina Dunwich, 2018-11-27 THE WICCAN S DICTIONARY OF PROPHECY AND OMENS Divination the art of obtaining knowledge of the future or of secret things has played an important role in ancient cultures and religions as well as in modern times It was once a method of sacred communication with the spirit world and a way to determine the will of the gods by means of visions and predictions In the present age divination including astrology palmistry and the I Ching continues to be a popular method of looking into the future or past as well as revealing that which was once unknown In fact a large number of our contemporary customs and superstitions are remnants of the once powerful divinatory rituals of the ancient pagan religions The Wiccan s Dictionary of Prophecy and Omens details over two hundred methods of divination from those used in antiquity to those in use today It traces the history of these practices and provides examples of nearly every known divinatory art This is an essential resource for followers of today s Wiccan lifestyle by modern Wiccan expert Gerina Dunwich **Gotcha!** Kathleen A. Baxter, Marcia Agness Kochel, 1999-12-15 Thousands of children s books are published each year some are outstanding while others are not This book makes it easier for you to find the best in children s nonfiction books and it offers concrete classroom tested ideas for presenting them to students in irresistible ways Booktalks for more than 350 nonfiction titles appropriate for elementary and middle school students are organized according to topics popular with young readers Great Disasters Unsolved Mysteries Fascinating People Science and Fun Experiments to Do In addition there are tips on booktalking an outline for a booktalk program and a bibliography that can be used for collection development Appropriate grade levels for each book are cited Library Media Specialists will

find this guide essential The thematic approach helps teachers search for titles that correlate to curriculum areas or specific units of study Parents can use the book with their children as a reading selection tool Anyone who works with young children will find this book an invaluable resource     *The Amazing Fortune-Telling Book* Karin Lee,1997-04-01 Explains how to read fortunes using a variety of popular Eastern and Western methods Includes a set of Tarot cards     *The Wicca Spellbook* Gerina Dunwich,2018-11-27 Harness the natural spiritual and positive power of the Wiccan tradition to heal an illness attract love and make wishes come true Modern Wiccan expert Gerina Dunwich guides today s witches into developing and utilizing your own powers of will and visualization to achieve positive results Dunwich also reveals the secrets of spellcraft through easy to follow yet highly powerful magickal formulas Discover the proper craft and use of amulets potions mojo bags poppets and much more In addition to the magickal arts there are sections on the various methods of divination used by witches the magickal association of herbs the eight Sabbats of the Wiccan tradition and an up to date directory of occult shops publications and services of interest to the Wiccan community *The Wicca Spellbook* is a grimoire of modern Wiccan magick for both novice and seasoned Witches and coveners I recommend this book for eclectic Wiccans who want to draw insight and spells from other places and cultures I have read many Wiccan spellbooks and I find the spells in this one to be unique
