Carvalho,2014-04-17 Acknowledged Legislator Critical Essays on the Poetry of Mart n Espada stands as the first ever collection of essays on poet and activist Mart n Espada It is also to date the only published book length single author study of Espada currently in existence Relying on innovative highly original contributions from thirteen Espada scholars its principal aim is to argue for a long overdue critical awareness of and cultural appreciation for Espada and his body of writing Acknowledged Legislator accomplishes this task in three fundamental ways by providing readers with background information on the poet s life and work offering an examination into the subject matter and dominant themes that are frequently contained in his writing and finally by advocating in a variety of ways for why we should be reading discussing and teaching the Espada canon Divided into four distinct sections that modulate through several theoretical frames from Espada s attention to resistance poetics and concerns for historical memory to his oppositional critique of neoliberalism and support for a class consciousness grounded in labor rights Acknowledged

Puerto Rican Chicago Mirelsie Velázquez, 2022-02-01 Winner of the Critics Choice Book awards of the American Educational Studies Association AESA CCBA The postwar migration of Puerto Rican men and women to Chicago brought thousands of their children into city schools These children's classroom experience continued the colonial project begun in their homeland where American ideologies had dominated Puerto Rican education since the island became a US territory Mirelsie Velázquez tells how Chicago's Puerto Ricans pursued their educational needs in a society that constantly reminded them of their status as second class citizens Communities organized a media culture that addressed their concerns while creating and affirming Puerto Rican identities Education also offered women the only venue to exercise power and they parlayed their positions to take lead roles in activist and political circles In time a politicized Puerto Rican community gave voice to a previously silenced group and highlighted that colonialism does not end when immigrants live among their colonizers A perceptive look at big city community building Puerto Rican Chicago reveals the links between justice in education and a people's claim to space in their new home
