a favor to a friend she emerges to hear a rumored superstar in the making Music pours out of Erika Alvarez through her voice and her fingertips She is awed that the reclusive Dess Hampton wants to hear her sing and then blown away when Dess agrees to sit in for a few gigs Dess can tell that Erika is destined for the life that she once had and wants no part of ever again But can the magic of the music they make together and the growing love between them trump Erika's ambition and Dess's fears How much are they willing to sacrifice for it and for each other
