Robertson,2015-05-26 In the previous book *The Celtic Serpent* after a diagnosis of cancer and the death of her grandmother Angi Talismann found herself on an incredible journey Shackled to an unstable piece of ancient technology in the form of a medallion she and her colleagues were forced to locate lost medallion gemstones which had been scattered to different countries in the seventeenth century Close on their heels was a resolute killer bent on acquiring the medallion Tracking down the descendants of old Irish and Scottish families assigned to protect this ancient treasure proved a daunting task Eventually locating the gemstones the initial stage of their venture ended with twelve individuals stepping through a golden serpent gate on the Hill of Tara in Ireland propelling them into another world While stating they would return in three months its assurance was uncertain The journey continues in this book Angi and her companions quickly adapt to their new environment on Tir na nOg the land of the Tuatha de Danann deemed to be the ancient gods of the Irish Here they learn that their escort Sirona is a distinguished member of the kingdom and her ancestor Myttrwn is a gifted scientist and magician supposedly centuries old in Earth terms Under Myttrwn s guidance the twelve discover a different perspective of the universe learn the healing and destructive powers of light and sound and gain some insight into their future role while Angi takes her first steps in mastering the complexities of her medallion Yet with all the goodwill a powerful individual Zolar is displeased with their presence in Tir na nOg and Angi s possession of such advanced technology He sets out to rectify this matter in his own treacherous way The journey to Tir na nOg for the twelve travellers would create an indelible imprint on their lives **The Song of the Underworld** Samantha Jewel,2016-03-29 The story is based on a number of scientific facts but there are many areas of artistic license taken to make the story work for children The main purpose of the story is to bring about an awareness of the enormous role the world we cannot see plays in our existence and the issue of carbon emissions and perhaps to create an empathy for rather than aversion to the microbe world we cohabit For references and more information on the science of this story please read *Elegant Solutions for Addressing Climate Change* to contact the author <https://www.facebook.com/ElegantSolutionsForLife> **The Light Work** Jessica Zweig,2024-08-06 USA TODAY BESTSELLER Unlock your infinite potential in every area of your life and become your own inspiration Using the concept of Light as a tool for personal and spiritual growth bestselling author and entrepreneur Jessica Zweig challenges readers to hit the proverbial light switch and illuminate their own lives Rooted in

Heat Francine Pascal, 2001-09-19 Everyone longs for something And everyone gives in to temptation sometimes Mary Heather Sam Now it's my turn

The Books of "Is" Dr. R. Lowery-Hawk D.D. D.R.S. PhD., 2012-08-29 The first Books of IS is full of contemplative designs and graphics along with rhythmic writings All are created to move gently your senses and your brain to stirring you awake and into thinking sensing and observing the life within you and around you The writings and graphics are meant to be contemplated upon and carried into your daily life so to awaken you to the truth of you and the universe of life here now and beyond here and the now I have also included pages at the end of each chapter for the reader's own inspired writings brought on by the repeated readings and contemplations of the writings and graphics in this book so to assist in the activation of your creative and intellectual mind right and left brain functions The Books of IS came about after my being mysteriously intuitively guided for over twenty eight years to write down messages of a higher conscious level on truths of life myself and all life in general The writings in BOOK ONE The Dance of Becoming are compiled writings from a higher presence of love that I was receiving during a strong intersensing to write down what was calling to me This first began occurring during my pre teens then again as an adult during times of great sorrow or loneliness As an adult and after writing for almost a year the writings began taking on a deeper nature They began to change into messages and memories of truth guidance and gentle love coming forth giving me more of the peace and joy they had been creating within me The desire to write more called often and strongly yet pleasantly to me and the experience of it all was ecstasy I began to realize that I must have been touching down into deeper parts of myself and then rising up to the higher parts of me my Higher Soul I was then feeling such peace joy and knowing that I no longer felt sadness nor loneliness Instead I felt the great desire and joy to experience and to know more It felt as if at these times I was my TRUE SELF I felt complete and all knowing I felt like I was with the Hallowed Ones and the Angels Then in the year 1984 I was telepathically told by these Sacred Messengers of a higher power Creator to put all these writings into books and when the time came publish them to aid all mankind all existence From these writings I receive messages and teachings that went beyond mundane and into the higher planes of existence connecting me with the Creator of all principles of all life There I connected with Holy Messengers of various kinds I had asked for validation on all this and soon found myself miraculously

being lead to the meeting of those who were Guardians of these ancient long protected Sacred Truths along with findings in old books and other similar occurrences and people These valuations ranged from old mystery schools of various kinds to ancient indigenous beliefs on creation and a higher powerful being to more modern religions and scientific findings I also was lead in syn with others who too were receiving similar writings with same truths some written a bit differently In 1884 I was given the spiritual telepathic message that in the future I would be compiling these and other writings into books to be published for the world This was so that many people could be reached more quickly for the quickening had begun They told me that the writings in this book and in others were seed truths selectively and rhythmically placed camouflaged seeming at first to those not ready as stories of mere fantasy so called make believe and sci fi I was told the writings are done this way so to gently but powerfully unlock the encoded truths within those who hear or read them and view the graphics These writings therefore are like camouflaged words codes hidden to many but obvious to those who were ready remembering awakening therefore protected from those who would abuse them and interpret them with mis understanding in a negative way thereby creating too much chaos *The Composer, Herself* Linda Kouvaras, Natalie Williams, Maria Grenfell, 2023-11-30
