Kusamira Music in Uganda Peter J. Hoelsing, 2021-11-09 A performance culture of illness and wellness In southern Uganda ritual healing traditions called kusamira and nswezi rely on music to treat sickness and maintain well being Peter J Hoelsing blends ethnomusicological fieldwork with analysis to examine how kusamira and nswezi performance socializes dynamic processes of illness wellness and health People participate in these traditions for reasons that range from preserving ideas to generating strategies that allow them to navigate changing circumstances Indeed the performance of kusamira and nswezi reproduces ideas that remain relevant for succeeding generations Hoelsing shows the potential of this social reproduction of well being to shape development in a region where over 80 percent of the population relies on traditional healers for primary health care Comprehensive and vivid with eyewitness detail Kusamira Music in Uganda offers insight into important healing traditions and the overlaps between expressive culture and healing practices the human and other than human and Uganda s past and future

Twenty-four Songs of Uganda Peter Cooke, 1966 Songs and Politics in Eastern Africa Kimani Njogu, Hervé Maupeu, 2007 This volume brings together essays on songs and politics in the region of Eastern Africa and beyond The theme that cuts across the contributions is that songs are in addition to their aesthetic appeal vital tools for exploring how political and social events are shaped and understood by citizens Urbanization commercialization and globalization contributed to the vibrancy of East African popular music of the 1990s It was a product of social processes inseparable from society politics and other critical issues of the day The lyrics explored socials cosmology world views class and gender relations interpretations of value systems and other political social and cultural practices even as they entertained and provided momentary escape for audience members Frustration disenchantments and emotional fatigue resulting from corrupt and dictatorial political systems that stifle the potential of citizens drove and still drive popular music in Eastern Africa as in most of Africa

Culture and Customs of Uganda Kefa M. Otiso, 2006-05-30 Since achieving independence from Great Britain in 1962 the East African country of Uganda has been ravaged by political turmoil and the more recent crisis of the AIDS epidemic but is now in the process of rebuilding and democratizing Culture and Customs of Uganda is a fascinating overview of the current state of Ugandan society where largely rural ethnic groups are experiencing the pull of urban centers while the changes brought about by Western influences bear on practically every aspect of people s lives Examples from the main ethnic groups are used to explain traditional culture and adaptations to modern life in religion gender roles courtship and marriage work education family life ceremonies the arts media and more This is the essential reference source to turn to for solid insight into Uganda The wealth of detail in the coverage of the subjects above plus the land people history literature architecture housing cuisine dress gender roles social customs and lifestyle provides readers with broad sense of the country and its inhabitants The sensitive narrative conveys the nuances between old and new urban and rural elite and poor for each topic In addition the evolution of Ugandan peoples is superbly demonstrated Highlights

include a discussion of the ways in which adherents of world religions such as Christianity and Islam mix these with traditional African religious belief in spirits diviners and rainmakers The book also explores patriarchy and the social and inheritance system that has hindered women s education and prospects and exposed them to HIV AIDS Finally there is a celebration of the various forms of artistic expression such as drumming ceremonial dance and handicrafts particularly ceramic pottery that have won accolades as well as a look at artists who excel in writing poetry producing hip hop and painting batiks for popular consumption
