Songs Of A Soul Journey:

Songs of a Soul Journey Elisabeth T. Eliassen, 2002-02 Life is a journey that goes without saying But the nature or meaning of the journey is often elusive so caught up we are in the details of living Is life a journey where the landscape is ever changing or is it more like an archeological dig where a single landscape is discovered over time to have diverse layers of meaning and being Is each life an individual journey or one universal journey as seen through different eyes at different times and in different places These questions and others are explored in this book a poetic diary that records a portion of one life experience These pages plot the map of a soul s journey from one place to the apprehension of another and onward to find the path to a new way of being
