

Songs Of The Pinewife

SB Merriam

Songs Of The Pinewife:

Records of Woman, Songs of the Affections, and Songs and Lyrics Mrs. Hemans, 1853 *You Are My Sunshine* Robert Mann, 2025-02-12 In *You Are My Sunshine* Robert Mann weaves together the birth of country music Louisiana political history World War II and the American civil rights movement to produce a compelling biography of one of the world's most popular musical compositions This is the story of a song that despite its simple sweet melody and lyrics holds the weight of history within its chords The song's journey to global fame began in 1939 when two obscure hillbilly groups recorded it By the century's end it was a cultural phenomenon covered by hundreds of artists spanning every genre It entered the Grammy Hall of Fame in 1999 and the Library of Congress's National Recording Registry in 2012 At the center of this story is Jimmie Davis who capitalized on his country music stardom to win two terms as Louisiana's governor In 1940 Davis became the third artist to record *Sunshine* after he bought it and claimed it as his composition The song became his anthem and a staple of his political rallies radiating warmth and wholesomeness Its sunny tune encouraged listeners to forget Davis's earlier recording career marked by risqué blues recordings that clashed with the upright gospel singing image he later cultivated As *You Are My Sunshine* grew in popularity so did its link to Louisiana's singing governor In 1977 the Louisiana Legislature made it a state song In this biography equal parts the story of Davis and the odyssey of his song we discover that *Sunshine* shaped the early rise of country music but became tangled in Davis's pro segregation policies briefly overshadowing its legacy *You Are My Sunshine* explores the song's contested origins its rise to legendary status and its ongoing resonance with millions This is more than the story of a simple song it's a biography of a cultural icon enduring and ubiquitous as sunshine itself

Songs of the Pine-wife Sheila B. Nickerson, 1980 [Folk Songs of the Catskills](#) Norman Cazden, Herbert Haufrecht, Norman Studer, 1982-01-01 Traditional songs from the Catskill area of New York State are accompanied by detailed discussions of their roots development musical structure and subject matter

Medieval Woman's Song Anne L. Klinck, Ann Marie Rasmussen, 2002 The number of surviving medieval secular poems attributed to named female authors is small some of the best known being those of the *trobairitz* the female troubadours of southern France However there is a large body of poetry that constructs a particular textual femininity through the use of the female voice Some of these poems are by men and a few by women including the *trobairitz* many are anonymous and often the gender of the poet is unresolvable A woman's song in this sense can be defined as a female voice poem on the subject of love typically characterized by simple language sexual candor and apparent artlessness The chapters in *Medieval Woman's Song* bring together scholars in a range of disciplines to examine how both men and women contributed to this art form Without eschewing consideration of authorship the collection deliberately overturns the long standing scholarly practice of treating as separate and distinct entities female voice lyrics composed by men and those composed by women What is at stake here is less the voice of women themselves than its cultural and generic construction

The Pacific Song Book.: Containing All

the Songs of the Pacific Coast ... By Various Authors, Etc ,1861 *Hit Songs, 1900-1955* Don Tyler,2007-04-16 This is a chronology of the most famous songs from the years before rock n roll The top hits for each year are described including vital information such as song origin artist s and chart information For many songs the author includes any web or library holdings of sheet music covers musical scores and free audio files An extensive collection of biographical sketches follows providing performing credits relevant professional awards and brief biographies for hundreds of the era s most popular performers lyricists and composers Includes an alphabetical song index and bibliography **Songs of Work and Protest** Edith Fowke,Joe Glazer,Kenneth Ira Bray,1973-01-01 Provides lyrics music and chord notation for work and protest songs and discusses each tune s significance in the labor movement **Contemporary American Poetry** Lloyd M. Davis,1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983 Land of Sunshine ,1913
