Songs Of The Spirit:

Songs of the Spirit Lee Ann Mardel, 2007-05 Songs of the Spirit is a compilation of poetry that chronicles the personal experiences and spiritual growth of author Lee Ann Mardel over a span of twenty five years Originally intended as a private journal her pieces have evolved into a book addressing the joys struggles and concerns common in everyday life From the author s thoughts on family to her words about her relationship with God the reader will find each piece steeped in passion and meaning Through a simplistic and straightforward style of writing the author takes the reader with her on a spiritual journey In the end these poems remind us that good can be found in the worst situations if you look for it God uses everything to the betterment of His divine plan He is working to have a personal relationship with you even when you aren t He is ever present and always faithful Marriage motherhood divorce the deaths of loved ones work outside the home and the search for fulfillment are just some of the experiences which Lee Ann Mardel shares with the common woman All of her positive and less than positive situations and relationships have been invaluable teachers in her understanding of life s true treasures While marking off the years Lee Ann spent countless hours seeking to fill the void in her life struggling to find greater meaning and purpose Without realizing the direction God was moving her she discovered that the sum total of her life had given her insight into what she maintains was her missing piece In fact that missing piece was an understanding of the meaning of life She found it in the development of a personal relationship with God and in the understanding of His unwavering love With that awareness she also found a sense of contentment and release

understanding of His unwavering love With that awareness she also found a sense of contentment and release *Origen on the Song of Songs as the Spirit of Scripture* J. Christopher King, 2005-10-06 Christian exegesis of the Song of Songs has long interacted creatively with and more recently reacted critically against the allegorical interpretation developed by Origen of Alexandria c 185 c 254 in his Commentary and two Homilies on the Song of Songs Interest in Origen's exegesis of the Song's narrative elements has dominated past scholarship which has almost entirely ignored how Origen assesses the Song itself in its unity as a revealed text This study aims to show that the Commentary and Homilies when read in light of Origen's hermeneutic his nuptial theology his understanding of the prophetic mediation of inspired texts and his doctrine of last things clearly portray the Song of Songs itself as the divine Bridegroom's perfect marriage song As such it mediates Christ's eschatological presence as the spirit of Scripture in and through the intelligible structures of the text itself **The Spiritual Songs of Martin Luther, from the German** Martin Luther, John Hunt, 1853 *The Spiritual Songs of Martin Luther, from the German* by J.
