reveals that the tenderest music has in different eras driven many of the most heated cultural conflicts and how the humble love song has played a key role in expanding the sphere of individualism and personal autonomy in societies around the world Gioia forefronts the conflicts controversies and the battles over censorship and suppression spurred by such music revealing the outsiders and marginalized groups that have played a decisive role in shaping our songs of romance and courtship and the ways their innovations have led to reprisals and strife And he describes the surprising paths by which the love song has triumphed over these obstacles and emerged as the dominant form of musical expression in modern society

Cheyenne Egbert Van Alstyne,1906 *Love and Romance in the Bible* Asher Elkayam,2013-01-14 This new project concentrates on the power of love and other passions that changed the world As we consider the Bible as a historical document we cannot help but wonder about those personalities in the Bible who can take credit for creating a multitude of tribal orders and nations throughout the globe Sarah and Abraham were the very first ancestors who discovered Monotheism and consequently gave birth to powerful nations who ended up populating nearly half of the people s planet One of the most populous nations on earth Islam was created as a result of Sarah s consent to have Abraham her husband consort with her maid Hagar Ishmael was born and he became the father of twelve powerful tribes

Love in The Bible speaks about how entire kingdoms were formed and other destroyed It also emphasizes the power of seduction aimed at altering a destiny of a nation Delilah sought to destroy Samson in order to guarantee the supremacy of the Philistines over the Israelites Athaliah the mean destroyed her own children in order to maintain power Jezebel managed to do away with over four hundred so called prophets in order to maintain her power over the land Those women of power did evil while using their men Delilah used Samson by seducing him and convincing him to disclose the secret of his power Jezebel and Athaliah used their men kings in order establish their own kingdom On the other hand there were impressive female heroes Deborah was a pure military strategist who saved a whole nation with her inspiration and positive attitude towards victory Deborah was also a poetess and a highly praised judge who kept a nation in peace for forty years Esther was a special queen who came to the rescue of the entire Jewish Persian minority because she was the preferred woman of King Xerxes King Solomon in his Song of Songs described love and romance in a manner that can be duplicated in our modern era His poetry is still read and appreciated in our times and it can be quoted repeatedly by true lovers of our century Romance and the longing for love have never changed Lovers can be imaginative and use silly ways to remain in love as they do today However love can take different turns as well A true shocking story of love by accident is the story of Judah who became the father of Judaism Could anyone imagine that Judah the head of the tribe of Judah a tribe that was almost extinct suddenly became the ancestor of the most populous tribe of Israel It happened at a time where Judah was almost childless By accident he encountered a woman named Tamar who posed as a harlot However since Judah did not recognize her he became intimate with her Tamar was actually Judah s daughter in law Since her two husbands Judah s sons died it was Judah s duty to have Tamar marry the only surviving son That never happened either As Tamar used a special ruse to fool Judah she conceived and she became the actual ancestress of Judaism as we know it today This intriguing soap opera like story is described in details What is more she became the ancestor of Boaz and David King of Israel Both Jews and Christians claim Tamar as their ancestor while Christians state that King David was twenty generations apart from Jesus Love And Romance in The Bible depicts other passions such as incest and rape The daughters of Lot who saw it necessary to revive seed from their own father because they were afraid of their generation becoming extinct committed incest The Bible does not condemn nor condone this act However the curious outcome was that two nations evolved out of this incestuous act Moab and Ammon The Ammon and Tamar daughter of David s story is a perfect example of an insecure man son of David who gets infatuated with his half sister Tamar and ends up abusing and humiliating her In the We Found Love, Song by Song Annie Zaleski,2024-12-03 Love songs are for everybody and so is this book In We Found Love Song by Song award winning author and music journalist Annie Zaleski delivers a beautifully illustrated keepsake that tells the fascinating history and behind the scenes stories of the 100 most popular and cherished love songs of all time Pop the champagne get the roses ready and settle down in your favorite armchair Love is universal to the human experience and love songs bring us joy and remind us of happy
