Sonora Pass:

The Untold History of Sonora Pass and Its People: 1860 to 1960 Cate Culver, 2020-07-15 The only book of its kind Cate Culver documents the history of Sonora Pass and its residents from 1860 to 1960 with extensive interviews of cabin owners and research into the region's history The book is more poignant now than ever as fire ravaged the area in 2018 and so many of the original cabins and a historic resort were lost *The Untold History of Sonora Pass and Its People* Cate Culver, 2020-08-10 Sonora Pass located north of the famous Tioga Pass that leads to Yosemite is not well known Extremely steep and carved into granite like much of the Sierra the pass is a hidden jewel Who were the people who built the roads established resorts grazed cattle constructed dams made movies and built cabins on Sonora Pass A community unto itself Sonora Pass has a rich history and Cate Culver has unearthed and recorded the stories and information that would have been lost to time In 1944 Cate Culver's family purchased a cabin near Eagle Creek east of Dardanelle From her earliest childhood Cate spent summers at breakfast tables and around campfires listening to the stories and learning the history of Sonora Pass Getting out old black and white photographs often started the conversation Cate realized that the history and the photographs needed to be recorded and saved She began several years of research including interviews with family members and friends of the original Sonora Pass pioneers Over ninety of the old timers were interviewed in person and many are brought to life in this remarkable history of the men and women who pioneered Sonora Pass The result is the only book of its kind documenting the history of Sonora Pass from 1860 1960 This collection is even more poignant and valuable today since the Donnell Fire ravaged much of the area in 2018 [Sonora Pass Wagon Train, Twain Harte to Sacramento](#) Sonora Pass Wagon Train Group, Twain Harte Area Chamber of Commerce, 19?? **Sonora Pass Pioneers** David H.
