Sons Of Earth:

Sons of Earth Richard Rhodes, 1981 When the son of a former astronaut is kidnapped and confined to an underground capsule with a limited life support system his father faces the machinations of politicians publishers and reporters as he struggles to free his son

The Earth and the Sons of Men Kenneth A. Faminu, 2009-08-29 The book The Earth and the Sons of Men is lucid and laconic very easy to read and to understand It is full of intrigues suspense and character manipulation It is really a religious fiction of the highest order The author carefully arranges and perfectly rearranges it as to appear mysterious In the beginning the creatures of the Creator like the Earth the Sky the Moon the Stars the Ocean the Sea the Day and the Night are personified as if they are beings Mother Earth accuses the sons of men of so many vices ranging from warmongering to rumormongering adultery idolatry rape assassination jealousy and arrogance She therefore warns them and promises that if they sons of men fail to desist from these acts of wickedness she would report them to their Creator The sons of men turned deaf ears to Mother Earths advice and committed injustice to humanity and other creatures like the Ocean Sea Day Night Stars and Rivers The only creature the son of man could not mess with is the Sun because of its distance and ferocity Hence Mother Earth called other creatures and briefs them on the atrocities sons of men are perpetuating on her Earth The authors personification of these creatures makes the whole scenario so fearful when you read and picture the catalogue of sons of mens wickedness enumerated by the Earth Mother Earth carefully informed the creatures that the sons of men are so arrogant and incorrigible that they refuse to agree that they are evil and are perpetuating evil she therefore begged and urged these creatures to join her to report these arrogant sons of men to their Creator She seriously implored them to be her witnesses before their Creator God These creatures agreed to be Mother Earths witnesses because they confess the sons of men have committed so many atrocities not only to Mother Earth but also to Ocean Sky Sea Rivers Night Day and even the Moon The systematic religious arrangement and relevant biblical quotations to back the accusations against sons of men show the deep knowledge of the scripture by the author Mother Earth requests an appointment with God through Jesus Christ in order to present her case The author deeply involves Jesus Christ as an authentic witness of Mother Earth during the crucial meeting with God the Creator Mother Earth the Ocean Sea the Sky the Day the Night the Stars the Rivers and the sons of men met with God on the appointed day and at the appointed place to present their cases The Creator listens very well he apportions blame to the sons of men and congratulates Mother Earth The author gradually ameliorates the tension of sharp and logical argument between sons of men and Mother Earth so that the reader could catch his or her breath to be able to see the facts the reasoning and the lessons in the book by allowing God to intervene as his final judgment While God accepts that he created sons of men to be the rulers of all things on Mother Earth he disapproves the acts of wickedness arrogance belligerence and immorality of sons of men The Creators philosophical conclusion makes me shudder and tremble when he pacified Mother Earth and said My spirit will not be with the sons of men

because of their wickedness you may wish to know that the sons of men are mere dust they are taken out from you and to you they will return The lessons to be learned from this book are many that men should be free from every kind of wickedness evil greed depravity envy civil strife deceit malice gossip slander God hating insolence arrogance and boasting How memorable will it be according to the wish of the author if some of our young actors and actresses could come together to make a film out of this book using voice over on the creation Dr T George MD Sons of Earth Cox James (author),1901

God's Kingdom on Earth Charles Anderson Godby, Jr.,2005-10-11 This book provides a roadmap within which one may find a deeper understanding of God s grand plan for mankind It describes His creation schemes and the majesty of man reflecting on his direction history and responsibilities It defines in an understanding way the selection and plan for the family God chose to represent Him here on earth delineating their sojourn history their development accomplishments perils downfall and resurrection to current day status It describes the chosen family s decision process within which their sinful ways and activities led to varying degrees of punishment But yet it gives them renewed hope for achieving God s plan for mankind through the reiterating process of God s word It gives a description of the Holy land its boundaries and tribal allocations describing what it was in Joshua s time and what it is yet to be Delineating that parcel of land which is yet to be totally set aside and allocated for the sole purpose and use by The Lord God in support of the holy city of Jerusalem The Lord Is There and Holy Temple where He will reign here on earth for 1 000 years It speaks of the first resurrection and the second coming of The Lord Jesus Christ His reign on earth the second resurrection after the 1 000 year reign of The Lord and final judgment of mankind by Him A Chronology of events relating to Israel s wellbeing is provided and a Time Table delineating dates of specific events is also attached It is with prayer and hope that all readers will find this book of special value educational and of profound benefit for all **'The Real Scriptures' of God** James Platter,2012-08-14

Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language NIV, Children's Bible

Zondervan,2017-11-21 The NIV Children s Bible is a traditional favorite for giving to children as their first grown up Bible Features include Presentation page great for gift giving 32 beautiful full color illustrations based on popular Bible stories 8 pages of full color maps to easily locate important places Very readable 9 8 font size The full text of the bestselling New International Version NIV **From Heaven to Earth** Elisabeth Croll,1994 This book combines information on events processes and structures into a comprehensive introduction to the study of reform in rural China and provides an invaluable complement to contemporary studies of China **The Theory of the Earth** Thomas Burnet,1697 MY RACIAL GROUP'S PURPOSE ON EARTH Franklin Gibbs,2013-11-26 We spend a lot of time in determining our individual purposes i e our callings for being here on earth Some of us were called created to be singers dancers preachers teachers helpers exhorters prophets and so on This is fine But this book goes beyond our individual purpose calling and delves deeply into our racial group s purpose calling That is this book shows you the nuts and bolts of your racial group s purpose here on earth Each racial group on the face of the earth was created to fulfill a divine purpose Thus we need to know our racial group s purpose so that we can serve God completely Moreover mixed children of color from interracial marriages are special to God For they have a special purpose to fulfill on earth and in heaven That said this book shows why God created racial groups with different skin tones nose sizes lip shapes and hair textures You ll be amazed to see how pivotal cherubim God s special angels are in determining our racial group s purpose God patterned their behavior after man s expected behavior So this book studies their behavior patterns in detail to see what our racial groups are supposed to do That said for centuries racial groups have been bickering and clawing at one another But once we become aware of and start following our racial group s purpose as shown in this book our racial problems will be solved i e they ll go away In this book you ll enjoy to the fullest extent the ingenious purpose for which God created you and your racial group and the amazing treasures and benefits that He has in store for you and your racial group The Right-aim School Bible ,1834
