Sons Of The Wolf Campbells And Macgregors And The Cleansing Of The Inland Glens:

Sons of the Wolf Ronald Williams, 1998 Sons of the Wolf and Children of the Mist were names given to the Gregarach or Clan Gregor after they were driven from their ancestral glens and forced to live as broken men or outlaws In sixteenth century Scotland clans held their lands more by power of sword than by written title but in the latter half of the century the pattern of ownership began to change The powerful and fiercely ambitious Clan Campbell embarked on a period of acquisitive expansion Ronald Williams tells the story of their ruthless and systematic harrying of the MacGregors in all its cruel and bitter detail This was no less than the intended extermination of an entire clan *The British National*
