Jesus Is Coming Soon? Jim Reeves, 2016-06-30 Jesus said he was coming soon All his disciples and the writers of the

New Testament heard what he said and believed he would return during their lifetime Over two thousand years later most Christian people believe he has still not come yet continue to claim he is coming soon Is it possible we have totally missed something from the Scriptures about this second coming of Christ It may surprise you to learn Jesus explained in very clear understandable terms not only when he was coming back but more importantly why Over the past years there have been hundreds of prophecies about when Jesus was coming and when the world would end All of them have proven to be false doing little more than casting doubt on the credibility of the Bible and the faithfulness of God Perhaps it is time we took a fresh look at what the Bible actually says about the end times There are a lot of differing opinions about the second coming the end of the world the last days and a host of other topics associated with the promised coming of Jesus This book examines what the Scriptures actually say about these topics and how they all fit perfectly into God s plan to redeem mankind from the consequences of sin Jesus Is Coming Soon presents a clear easy to understand explanation about these end time events And it is an exciting and positive message God s plan for the world was is and always be its salvation not its destruction You will be glad you read this book

The Things Which Must Take Place Soon Paul James,2021-07-11 This book is an analysis of the prophecies about the Second Coming of the Lord Jesus Christ given in the Holy Bible The author has analyzed them with the context of historical facts and modern day happenings in an attempt to reason that the prophecies are being fulfilled The narrative is not from an academic but an intellectual perspective discussing a very important topic while navigating through various viewpoints put forth by Scholars and Bible Leaders It puts forward a strong case in favour of the Second Coming In the current context of Covid 19 and its variant wreaking havoc in the world and the economic upheavals experienced the book also provides hope in saying that even at the last moment if one calls to the Lord they will be saved He tries to instil trust in the infinite love of the Lord in the readers despite all the happenings The author attempts to also provide clarification on many related topics which have puzzled the readers and conveys that though the Second Coming is imminent it is yet to come The book does not intimidate the readers with signs seen currently but gently asks them to be clear on the word of God and not to be frightened by baseless speculations put up by even leaders The call is to be prepared

Jesus Is Coming Soon: Book I Pastor Ikona Abukar,2014-08-29 This book will open your eyes your heart and your Spirit as you journey through each letter written to the Church It is very much like the previous book *Jesus is Coming Soon Are You Rapture Ready* which was penned in the same manner as the letters written to the Church by the Apostle Paul The Pauline Letters Romans 1 2 Corinthians Galatians Ephesians Philippians Colossians 1 2 Thessalonians 1 2 Timothy Titus and Philemon were written under the guise of the Holy Spirit Each letter in *Jesus is Coming Soon Book II Are You Walking In Wisdom* as well as the previous book *Jesus is Coming Soon Are You Rapture Ready* are both written under the tutelage of the Holy Spirit for today's Church This book contains thirty one letters It addresses distinct circumstances of the End Time Church It can be read in succession or by a selection of the topic that interest you most Each letter stands alone and is not to be considered a

prerequisite of another This book is meant to revive you and launch you into the newness of life It will prick your conscience and cause you to check your walk with Christ **Write Soon and Often** Andy Thomson,2016-12-05 Travelling through Europe in the summer of 1939 17 year old Donald Plaunt witnessed preparations for war in every country he visited After he completed high school in 1941 Donald became part of that war when he enlisted in the RCAF and became a Lancaster pilot After training for 20 months he flew in operations for five weeks before his death on his 11th mission in 1943 There are many compelling stories written by veterans about Bomber Command What makes this pilot s story unique is that it is told in his youthful voice selected from 150 letters he wrote home Peppered with his amusing sense of humour his letters convey a very personal and colourful narrative ranging from tales of his Air Force training the events of the war the people he cared about and the issues that bothered him It is a story about youth and hope as we follow his journey from a carefree and somewhat entitled rookie pilot to the generous and proud captain of a Lancaster crew It is also a story of sorrow that explores the heartbreaking impact of his death on his family when he like so many other young men did not return home **Which Must Soon Come to Pass** Philip Mauro,2014-10-24 In this classic exposition of the Book of Revelation Philip Mauro delves into the prophetic visions of the Apostle John shedding light on their meaning and significance for the church throughout the ages With keen insight and scriptural fidelity Mauro unfolds the mysteries of the seven seals trumpets and vials tracing their fulfillment from the early church to the present day Mauro s unique perspective avoids the pitfalls of preterism historicism and futurism revealing Revelation as a spiritual book relevant for all eras of church history He explores the ongoing impact of the destruction of Jerusalem and the Jewish dispersion the conflict between God s kingdom and worldly powers and the final consummation of all things at Christ s return **Where Is the Promise of His Coming?** David L. Mathewson,2018-10-26 The New Testament contains numerous statements by Jesus and New Testament authors that seem to suggest that Jesus was coming back soon in their lifetime But two thousand years later here we still are How do we handle this apparent failed prophecy Did Jesus and his followers get it wrong Did they miscalculate the timing of Jesus return Or were Jesus and the authors of the New Testament anticipating something else The purpose of this book is to examine this issue by looking in detail at the New Testament texts that seem to promise that Christ is coming back right away It will provide a possible answer to these questions in light of the tension between the promised imminent return of Christ and its delay
