Sophisticated Mountain Gal:

The Sophisticated Mountain Gal John Bramsch, Joan Bramsch, 1984 *Mountain Girl* Ken Byerly, 2009-10-05 Wade Talbot relishes the chaos of journalism He starts as editor of weekly newspaper in North Carolina and becomes a reporter in New York just as the civil rights struggles explode into demonstrations across the country Becky Anderson leaps from her little southern town to college to New York and then to Europe where through sheer grit she becomes a force in the movie business Wade romanticizes his boyhood in the hills of home Becky perennially short of money can't wait to break away But something clicks between them They compete they quarrel they savage each other and one day in the deep rolling hills of old Virginia they come together MOUNTAIN GIRL is an inside look at the 1960s American civil rights movement a gritty travelogue with stops in Paris and an island in the Mediterranean and a sexual duel in which both partners learn and grow Becky loses a baby She and Wade begin to hike the 2 200 mile Appalachian Trail Wade finds finally a theme for the novel he wants to write But at a cost He walks alone at the end to keep a promise to climb a special mountain **Appalachian Mountain Girl** Rhoda Bailey Warren, 2005-08-30 Appalachian Mountain Girl is a sensitive and beautifully written autobiographical account of a childhood in the coalmine district of Depression era Kentucky With humor and warmth but without sentimentality Rhoda Warren recounts the lives of these mining people whose religion and family values buttressed and sustained them As a young girl Rhoda began to catch glimpses of the world outside her narrow mountain community through the stories in True Confessions magazine and the pictures in the Montgomery Ward catalog which to her seemed like visions of a fairy world When Rhoda married and moved to a small town in New York State it seemed that her dreams of a better life had been realized Yet scenes of Letcher always hovered in the back roads of her memory When she revisited her homeland this time as a New Yorker Rhoda found that Letcher was no longer the place of her memories **The Cumberland Mountain Trilogy, Volume 3 - The Sheriff of Hell's Murder Case** Jack Justin Turner, 2014-12-11 The Sheriff of Hell's Murder Case is the final novel in Dr Jack Justin Turner's highly acclaimed Cumberland Mountain Trilogy With a mangled arm and with his long barreled Luger close at hand Sheriff Jacob Newton Herald must muster all the cunning and courage that saw him through The Great War to survive the sometimes savage place he calls home Jake as he is known by both friend and foe has been described as a combination of Hamlet and Dirty Harry but in this last volume Jake exhibits a quite different and endearing personality when he makes two of the most important decisions of his life Part murder mystery and part magnificent love story The Sheriff of Hell's Murder Case again demonstrates Dr Turner's powerful and insightful explanation of character and locale in a page turner that is perhaps unparalleled in modern Appalachian fiction Turner obviously knows and loves the setting and its inhabitants and puts the lie to the work of a litany of literary carpetbaggers As one reviewer put it Jack Justin Turner's voice rings so true that one might think the author is actually channeling the spirits of his early twentieth century characters Seldom does a book transport a reader so surely to another place and time
