Sophocles Electra Antigone Philoctetes

Roman Wölfel

Sophocles Electra Antigone Philoctetes:

Sophocles: Electra, Antigone, Philoctetes Sophocles, 1979-06-07 Three tragedies by Sophocles newly translated to make them accessible to the widest possible audience Sophocles Sophocles, 1965 Antigone Disaster follows when Creon King of Thebes forbids Antigone to bury her brother whom he has declared a traitor Oedipus Oedipus has unknowingly killed his father married his mother and had four children by her The play centers around how the persons react as they become aware of the facts Electra Electra recounts the murders of Clytemnestra and Aegisthus by Clytemnestra's son Orestes to avenge their murder of his father Agamemnon commander of the Greeks at Troy upon his return home Philoctetes describes the attempt by Neoptolemus and Odysseus to persuade or trick the disabled Philoctetes into accompanying them to Troy in order to fulfill a prophecy and finally bring the ten year war to a close **Antigone; Oedipus the King; Electra**

Sophocles, 2008-08-14 Love and loyalty hatred and revenge fear deprivation and political ambition these are the motives which thrust the characters portrayed in these three Sophoclean masterpieces on to their collision course with catastrophe Recognized in his own day as perhaps the greatest of the Greek tragedians Sophocles's reputation has remained undimmed for two and a half thousand years His greatest innovation in the tragic medium was his development of a central tragic figure faced with a test of will and character risking obloquy and death rather than compromise his or her principles it is striking that Antigone and Electra both have a woman as their intransigent hero Antigone dies rather than neglect her duty to her family Oedipus's determination to save his city results in the horrific discovery that he has committed both incest and parricide and Electra's unrelenting anger at her mother and her lover keeps her in servitude and despair These vivid translations combine elegance and modernity and are equally suitable for reading or theatrical performance **Three**

Tragedies Sophocles, 1962 Faithful as translations and vigorous and straightforward both to read and to act these versions were written like their originals for immediate stage production Kitto has deliberately used a fairly strict meter allowing himself no greater number of verses than Sophocles used and where the original is formal as in the line by line dialogue the translations too are formal The original rhythmic structure of the lyrics has been approximately represented in the Antigone the lyric passages have been followed as closely as the English language permits Quasi musical indications of tempo or mood have been added to the lyrical portions as a reminder that they were not recited but were a fusion of poetry music and dancing There are brief notes on the dance rhythms on the pronunciation of Greek names and on the mythological allusions in the three plays Sophocles: Electra Sophocles, 2007-08-09 Full scale 2007 commentary on a revised Greek text with original metrical analyses of the lyrical sections *Oedipus the King, Philoctetes, Electra, Antigone in Modern Translations*

Sophocles, 1962 **How to Stage Greek Tragedy Today** Simon Goldhill, 2020-09-15 From the stages of Broadway and London to university campuses Paris and the burgeoning theaters of Africa Greek tragedy remains constantly in production This global revival in addition to delighting audiences has highlighted both the promise and the pitfalls of staging ancient

masterpieces in the modern age Addressing the issues and challenges these performances pose renowned classicist Simon Goldhill responds here to the growing demand for a comprehensive guide to staging Greek tragedy today In crisp and spirited prose Goldhill explains how Aeschylus Euripides and Sophocles conceived their works in performance and then summarizes everything we know about how their tragedies were actually staged The heart of his book tackles the six major problems facing any company performing these works today the staging space and concept of the play the use of the chorus the actor s role in an unfamiliar style of performance the place of politics in tragedy the question of translation and the treatment of gods monsters and other strange characters of the ancient world Outlining exactly what makes each of these issues such a pressing difficulty for modern companies Goldhill provides insightful solutions drawn from his nimble analyses of some of the best recent productions in the United States Britain and Continental Europe One of the few experts on both Greek tragedy and contemporary performance Goldhill uses his unique background and prodigious literary skill to illuminate brilliantly what makes tragedy at once so exciting and so tricky to get right The result will inspire and enlighten all directors and performers not to mention the growing audiences of ancient Greek theater **The Tangled Ways of Zeus** Alan H.

Sommerstein,2010-05-13 A collection of studies written over the last twenty years by the distinguished classicist Alan Sommerstein about various aspects of ancient Greek tragedy and in some cases other related genres It complements his recent collection of studies in Greek comedy Talking about Laughter OUP 2009 **Sophocles: Oedipus Tyrannus.**

Sophocles Electra Antigone Philoctetes: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. Sophocles Electra Antigone Philoctetes : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
