Sophocles Antigone A New Version:

Antigone Sophocles, 2012-08-07 The most celebrated plays of ancient Athens Sophocles's seven surviving works in vivid and dynamic new translations ANTIGONE translated by award winning poet Robert Bagg is one of seven plays Harper Perennial has published as beautifully designed stand alone editions Powerfully portraying the clash between civic and familial duty between morality and obedience Antigone brings the Oedipus Cycle to a conclusion with the story of the tragic hero's eldest daughter Antigone who courts her own death by defying the edict of Thebes's new ruler her uncle Kreon which forbids giving her dishonored brother a proper burial This is Sophocles vibrant and alive for a new generation Sophocles' Antigone Brendan Kennelly, 1996 After the death of Oedipus his sons turn on each other When both are killed the inflexible Creon becomes King of Thebes While the loyal Eteocles is buried with due honour Creon orders that the body of his rebellious brother Polyneices should be left to rot But his sister Antigone refuses to let this happen Sophocles great play dramatises the resulting conflict a battle of wills which leads to inevitable tragedy Antigone was a set text on the new Leaving Certificate syllabus in Ireland This edition includes short essays by Brendan Kennelly Terence Brown and Kathleen McCracken This edition is now out of print but it is included in full in When Then Is Now Three Greek Tragedies

Sophocles' Antigone, 2011-04-18 Sophocles Antigone comes alive in this new translation that will be useful for academic study and stage production Diane Rayor's accurate yet accessible translation reflects the play's inherent theatricality She provides an analytical introduction and comprehensive notes and the edition includes an essay by director Karen Libman Antigone begins after Oedipus and Jocasta's sons have killed each other in battle over the kingship The new king Kreon decrees that the brother who attacked with a foreign army remain unburied and promises death to anyone who defies him The play centers on Antigone's refusal to obey Kreon's law and Kreon's refusal to allow her brother's burial Each acts on principle colored by gender personality and family history Antigone poses a conflict between passionate characters whose extreme stances leave no room for compromise The highly charged struggle between the individual and the state has powerful implications for ethical and political situations today *Sophocles' Antigone* Sophocles, 2011 Sophocles Antigone comes alive in this new translation that will be useful for academic study and stage production Diane Rayor's accurate yet accessible translation reflects the play's inherent theatricality She provides an analytical introduction and comprehensive notes and the edition includes an essay by director Karen Libman Antigone begins after Oedipus and Jocasta's sons have killed each other in battle over the kingship The new king Kreon decrees that the brother who attacked with a foreign army remain unburied and promises death to anyone who defies him The play centers on Antigone's refusal to obey Kreon's law and Kreon's refusal to allow her brother's burial Each acts on principle colored by gender personality and family history Antigone poses a conflict between passionate characters whose extreme stances leave no room for compromise The highly charged struggle between the individual and the state has powerful implications for ethical and political situations today

Antigone Sophocles, 2023-03-15 Murnaghan has rendered Sophocles notoriously thorny verse into a text that pulsates with intimacy and immediacy without sacrificing power and nuance creating a translation that will remain fresh for a very long time The accompanying material is so thoughtfully curated that the volume as a whole serves as a full introductory course to this extraordinary play and its outsized cultural impact Ella Haselswerdt University of California Los Angeles

Antigone Sophocles, 1998-10-01 One of the greatest most moving of all tragedies *Antigone* continues to have meaning for us because of its depiction of the struggle between individual conscience and state policy and its delicate probing of the nature of human suffering Mr Rudall's splendid translation brings a new power and speakability to Sophocles prose *The Oxford Guide to Literature in English Translation* Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the *Oxford Guide to Literature in English Translation* meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e.g. Virgil's *Aeneid* which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e.g. poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e.g. the *Thousand and One Nights* or writers e.g. Ibsen Proust but the majority offer a critical overview of a genre e.g. Chinese poetry Spanish Golden Age drama or of a national literature e.g. Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators Found in Translation J. Michael Walton, 2006-07-06 In considering the practice and theory of translating Classical Greek plays into English from a theatrical perspective *Found in Translation* first published in 2006 also addresses the wider issues of transferring any piece of theatre from a source into a target language The history of translating classical tragedy and comedy here fully investigated demonstrates how through the ages translators have wittingly or unwittingly appropriated Greek plays and made them reflect socio-political concerns of their own era Chapters are devoted to topics including verse and prose mask and non-verbal language stage directions and subtext and translating the comic Among the plays discussed as case studies are Aeschylus *Agamemnon* Sophocles *Oedipus Tyrannus* and Euripides *Medea* and *Alcestis* The book concludes with a

consideration of the boundaries between translation and adaptation followed by an appendix of every translation of Greek tragedy and comedy into English from the 1550s to the present day Antigone Sophocles, 1990-02-01 Based on the conviction that only translators who write poetry themselves can properly recreate the celebrated and timeless tragedies of Aeschylus Sophocles and Euripides the Greek Tragedy in New Translations series offers new translations that go beyond the literal meaning of the Greek in order to evoke the poetry of the originals The series seeks to recover the entire extant corpus of Greek tragedy quite as though the ancient tragedians wrote in the English of our own time Under the editorship of Peter Burian and Alan Shapiro each of these volumes includes a critical introduction commentary on the text full stage directions and a glossary of the mythical and geographical references in the plays This finely tuned translation of Sophocles Antigone by Richard Emil Braun both a distinguished poet and a professional scholar critic offers in lean sinewy verse and lyrics of unusual intensity an interpretation informed by exemplary scholarship and critical insight Braun presents an Antigone not marred by excessive sentimentality or pietistic attitudes His translation underscores the extraordinary structural symmetry and beauty of Sophocles design by focusing on the balanced and harmonious view of tragically opposed wills that makes the play so moving Unlike the traditionally gentle and pious protagonist opposed to a brutal and villainous Creon Braun's Antigone emerges as a true Sophoclean heroine with all the harshness and even hubris as well as pathos and beauty that Sophoclean heroism requires Braun also reveals a Creon as stubbornly principled as Antigone instead of simply the arrogant tyrant of conventional interpretations *The Living Art of Greek Tragedy* Marianne McDonald, 2003-07-18 Marianne McDonald brings together her training as a scholar of classical Greek with her vast experience in theatre and drama to help students of the classics and of theatre learn about the living performance tradition of Greek tragedy The Living Art of Greek Tragedy is indispensable for anyone interested in performing Greek drama and McDonald's engaging descriptions offer the necessary background to all those who desire to know more about the ancient world With a chapter on each of the three major Greek tragedians Aeschylus Sophocles and Euripides McDonald provides a balance of textual analysis practical knowledge of the theatre and an experienced look at the difficulties and accomplishments of theatrical performances She shows how ancient Greek tragedy long a part of the standard repertoire of theatre companies throughout the world remains fresh and alive for contemporary audiences

Sophocles Antigone A New Version Introduction

In today's digital age, the availability of Sophocles Antigone A New Version books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sophocles Antigone A New Version books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sophocles Antigone A New Version books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sophocles Antigone A New Version versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sophocles Antigone A New Version books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sophocles Antigone A New Version books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sophocles Antigone A New Version books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sophocles Antigone A New Version books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sophocles Antigone A New Version books and manuals for download and embark on your journey of knowledge?
