Sorrow In Our Heart The Life Of Tecumseh:

A Sorrow in Our Heart Allan W. Eckert,1993-02-01 A biography of the famous Shawnee describes Tecumseh's plan to amalgamate all North American tribes into one people his role as statesman and military strategist and his death in the Battle of Thames **Translating Past to Present** Andrew Offenburger,Patricia Nelson Limerick,2025-10 Translating Past to Present summons interpreters from the margins of history to understand the role they have played in the history of the American West and provides a long overdue examination of the practices of interpretation *Oddball Indiana* Jerome Pohlen,2002-04 Square Donuts The World's Largest Stump Oscar the Monster Turtle Johnny Appleseed's grave The Kinsey Institute for Research in Sex Gender and Reproduction While other travel guides tell you about yet another cozy bed and breakfast and bike trails through Brown County Oddball Indiana offers wacky travel destinations and little known historical tidbits Why is Nancy Barnett's grave in the middle of a country road Where can you go to communicate with your dead Aunt Clara Who invented Alka Seltzer How did David Letterman get fired from his first broadcasting gig This is the guide to the real Indiana birthplace of corn flakes Dan Quayle and Wonder Bread for those who want to laugh not lounge on their vacation

Groundless Gregory Evans Dowd,2015 Today we have grown so used to having boundless information at our fingertips that we can easily forget the practical limits on reliable news that both natives and European settlers faced in early America Beyond what one could see or hear at the instant one could only make surmises based on what others reported or reportedly said etc In a real sense rumor ruled Historians have known about this problem of information and wondered about how stories of far off deeds plans or intentions could develop and then travel about from place to place crossing various lines of authority and changing in every telling Here Greg Dowd an established student of Native Americans and their encounters with white settlers makes a determined effort to examine the phenomenon itself Using about a dozen case studies organized in parts that alternately deal with overarching themes and groups of specific episodes he asks on what basis rumors or legends emerged in the first place and why they grew as they did and reached the level of credibility they did The Spanish belief that the interior of America hid huge supplies of gold will be familiar to readers as will the white practice of using tainted blankets to spread smallpox among the natives this before the germ theory of disease Others like stories of Washington's use of rumor and Franklin's worries about counterfeit currency and the role of bad information in the Indian removal campaign of the Andrew Jackson presidency may surprise Kentucky and the War of 1812 Doris D. Settles,2023 How the Bluegrass State Helped Win a War While not a single battle of the War of 1812 was fought on Kentucky soil Kentuckians were involved to the very end Henry Clay and his War Hawks convinced Congress and President Madison to declare war and helped negotiate the Treaty of Ghent that ended it After two massacres of Kentucky militia on the Northwestern front Governor Isaac Shelby still the only sitting governor to lead troops into battle more than 4 000 locals and a pig marched to Canada to defeat the British and kill Tecumseh at the Battle of the Thames Author Doris Dearen Settles

explains how Kentuckians won the war of 1812 and why it is far more significant than textbooks record

When You Sing It Now, Just Like New Robin Ridington, Jillian Ridington, 2021-12-10 When You Sing It Now Just Like New is a collection of essays about stories about hearing sharing and recording them and sometimes even becoming characters in them These essays which contextualize stories within anthropology flow from Robin Ridington and Jillian Ridington's decades of work with the Athapaskan speaking Dane zaa people who live in Canada's Peace River area The essays in part 1 feature the Ridingtons audio work as well as Jillian's reflections on her relationships with Dane zaa women The authors use a narrative style to lead the reader to an understanding of First Nations oral and written traditions The essays in parts 2 and 3 are more scholarly and comparative and draw on ethnographic experience They speak to one or more theoretical issues and discuss First Nations traditions beyond the Dane zaa but always from within the context of shared ethnographic authority Students of anthropology folklore and Native studies can hear samples of audio compositions from the Dane zaa archive by downloading audio files from the University of Nebraska Press Web site

The Lincoln-Kennedy Coincidences Jonathan Knight, 2023-01-17 This work is a witty exploration of the eerie similarities between the assassinations of presidents Abraham Lincoln and John Kennedy that have fascinated both casual and serious history buffs for more than half a century From the compilation of these mysterious coincidences to the campfire story of a curse cast upon the American presidency this account is filled with captivating anecdotes that are often hard to believe Balancing historical research with a sprinkle of whimsy this book is the most substantial investigation of a nearly folkloric American topic Pulling back the curtain of history it sheds light on what makes these coincidences so intriguing and enduring

The Deadliest Woman in the West Rod Beemer, 2006 Distributed by the University of Nebraska Press for Caxton Press Earthquakes tornadoes floods prairie fires lightning and droughts tested the mettle of both native and newcomer This is the story of man's encounters with Mother Nature on America's prairies and plains during nineteenth century westward expansion and settlement

Rediscovering a Nation Michael Wayne Santos, 2022-07-01 Polarization Division Hate Many Americans wonder how our politics became dysfunctional and what it will take to fix it Historian Michael Santos takes readers on a journey to the heart of the American nation and the values that have allowed us to overcome previous challenges sometimes in spite of ourselves He remembers the heroes and heroines who challenged us to be better versions of ourselves Santos addresses a series of interrelated questions What are the legacies of this country handed down to us by the Founders What have previous generations done to keep the principles upon which the Republic rests alive and to advance their implications for more and more people Where were the fault lines that put the American experiment at risk and how have we overcome them And when we have failed to overcome them what possible lessons are there for an understanding of what America is and can become By offering these historical perspectives Santos helps readers overcome the current crisis in faith about the present challenges and future prospects for the American experiment
