Soul Aflame A Modern Of Hours:

The Soul Aflame Phil Cousineau,1999-12-01 The burning passion of the creative soul is explored in an inspirational blend of brilliant color photographs with the wisdom of the ages in this pocket cathedral of meditative writings from around the world Phil Cousineau and Eric Lawton have once again paired up to bring readers a book of hours divided into eight periods of guided meditation that trace the natural rhythms of the day with photographs from around the world and from passages by diverse thinkers including William Wordsworth Hildegard von Bingen Marcus Aurelius Mevlana Rumi James Hillman Gautama Siddhartha Buddha Aretha Franklin and many more

Wordcatcher Phil Cousineau,2010-04-13 The English poet W H Auden was once asked to teach a poetry class 200 students applied but he only had space for 20 When asked how he chose his students he said he picked only those who truly loved words Wordcatcher is a book for just such people people who are fascinated by words their origins history and meaning Who would ever have thought the country of Canada was named after a mistake Or that all the adventures of Ancient Greek sailors rest on the word nostalgia Cousineau s delightful and fascinating book is the perfect gift for anyone with a love of words

The Book of Roads Phil Cousineau,2015-08-11 Cousineau s wanderlust has driven him to visit nearly 100 countries as a backpacker documentary filmmaker travel writer photographer and art and literary tour leader For him travel gives us what his mentor Joseph Campbell called the key to the realm of the muses As author of the best selling travel book The Art of Pilgrimage Cousineau continues to crisscross the world as a travel writer filmmaker and host of Global Spirit The Book of Roads Travel Stories from Michigan to Marrakech is the culmination of a lifetime of travel experiences from the steel factories of Detroit to headhunting villages in the Philippines the war torn villages in the Balkans to the river roads of Canada once traversed by his voyageur ancestors His rhapsodic travel stories place him in the league of fellow travelers who are also masterful writers such as Pico Iyer Jack Kerouac Jan Morris and Beryl Markham

Beyond Forgiveness Phil Cousineau,2010-12-29 If we harbor thoughts of violence or hatred or seek revenge or retribution we are contributing to the wounding of the world if we transform those thoughts into forgiveness and compassion and then move beyond them to actually make amends or restitution we are contributing to the healing of the world This timely powerful and compassionate book helps show us the way Deepak Chopra Nothing will help us survive the present age more than breaking the tragic cycles of violence and revenge that threaten our very existence To do so we must honor our soul s desire for deeper forms of reconciliation a process that Phil Cousineau reveals here as being on the other side of forgiveness in the ancient ritual of atonement His book is a profoundly important contribution to the healing of the world and I give it my blessing Robert A Johnson author of Transformation Inner Work and Owning Your Own Shadow As indispensable as forgiveness has been to the healing process throughout history there is another equally profound action that is needed for ultimate reconciliation which Arun Gandhi grandson of Mohandas Gandhi calls the other side of the coin Turning over the coin of forgiveness we discover atonement the half hidden much overlooked

other half of the reconciliation process Beyond Forgiveness shows how acts of atonement making amends providing restitution restoring balance can relieve us of the pain of the past and give us a hopeful future This rich and powerful book includes 15 thoughtful contributions by high profile thinkers and activists including Huston Smith Michael Bernard Beckwith Azim Khamisa Rabbi Michael Lerner Jacob Needleman Michael Nagler Diane Hennacy Powell James O Dea Arun Gandhi Kate Dahlstedt Ed Tick Richard J Meyer Rev Heng Sure Douglas George Kanentiio and Katharine Dever Atonement is put forward as a process that we must all learn to practice from individuals to nations if we are to heal our wounds and move forward

The Blue Museum Phil Cousineau, 2021 For nearly three thousand years King Sisyphus of Corinth has been one of the most compelling characters in world mythology The iconic image of Sisyphus putting his shoulder to the boulder and pushing it to the summit of a mountain in the Underworld is recognizable the world over To many poets and philosophers from Homer and Aeschylus to Lucille Clifton and Albert Camus the rebel hero has been a powerful symbol for hard earned wisdom and the struggle to transcend suffering while more skeptical commentators have interpreted Sisyphus defiance of the gods as futile and doomed In this mythopoetic novel Phil Cousineau reimagines Sisyphus as telling his own tale through notebooks he kept while enduring his notorious punishment which include surprising revelations about the self sacrifice he made for his fellow Corinthians his bold fight against the injustice of the gods and the unbounded love for his wife and sons that earned him a second chance at life The Lost Notebooks of Sisyphus is a timeless allegory that helps us come to terms with our own daily struggles and shines new light on Camus existential conclusion that We must imagine Sisyphus as happy I am Sisyphus King of Corinth great great grandson of Prometheus great grandson of Deucalion and Pyrrha grandson of Hellen and Orseis son of Aeolus and Enarate husband of Merope father of Glaucus Ornytion Almus and Thersander and grandfather of Bellerophon slayer of the Chimera I am a champion of navigators sailors athletes merchants poets and playwrights and an enemy of tyrants despots bullies ruffians and demagogues I honor the gods and goddesses by building splendid temples holy shrines and sacrificial altars worthy of their glory Many men deep am I as my mentor the deep browed long bearded wise counseling Alexandros of Milos described me What I am not is a scoundrel as scandalmongers have impugned across the centuries while exonerating the cruel gods who condemned me

The Painted Word Phil Cousineau, 2012-09-11 To untangle the knot of interlocking meanings of these painted words logophile and mythologist Phil Cousineau begins each fascinating word entry with his own brief definition He then fills it in with a tint of etymology and a smattering of quotes that show how the word is used ending with a list of companion words The words themselves range from commonplace like biscuit a twice baked cake for Roman soldiers to loanwords including chaparral from the Basque shepherds who came to the American West words from myths such as hector metamorphosis words like silly which evolved holy to goofy in a mere thousand years and words well worthy of revival such as carrytale a wandering storyteller Whether old fangled or brand new all the words included in The Painted Word possess an ineffable quality that makes them luminous *Fungoes and Fastballs*
