Soul Deep:

Noveltry Ron Britton, 2011-09-24 The goal of writing this book was primary for women I wanted to express the many sides of love and emotions I especially wanted to put emphasis on the word Her This book is a product of my own personal feelings towards women and how I perceive them to be in relationships My hope is that the readers of this book will be able to look within and reflect on how they feel about relationships and romance My purpose is to grow and learn about how women function when it comes to the subject of intimate connections with men

Darlock Thomas Benham, 2019-04-15 The demon Darlock has finally escaped the Underworld and the earth is more wonderful and complicated than he could have ever imagined With the help of Gazna a demon cursed to spend eternity as a crow he begins to assimilate to the sprawling American city that he now calls home But unbeknownst to him the forces of the Underworld are actively pursuing him and after committing the heinous crime of soul theft the angels of heaven are now involved in the hunt For the first time in his long life Darlock finds love but also hate He must decide carefully as the choices he makes in his new life will either lead to good or evil and will ultimately decide the fate every soul on earth

The Absence of Myth Sophia Heller, 2012-02-01 In this provocative work Sophia Heller challenges the assumption that we cannot be without myth that myth is necessary to vital soulful living Indeed Heller argues we have been living in a world without myth for a long time The Absence of Myth examines the loss of a religious mode of being in the world and demonstrates how theorists who insist on the presence of myth deny its historical end Absence of myth may seem obvious evidenced by our lack of cult and ritual and by our de animated natural world as well as in the emergence of conceptual thought and psychological awareness which could only arise with the dissolution of a prereflective mythic mode of being in the world But what appears to be straightforward becomes complicated when myth is intentionally conflated with thought and reflection usually in the attempt to cultivate a mythic consciousness that aims to restore meaning to life and assuage the spiritual malaise of contemporary culture Myth cannot rest in peace It must be continually unearthed redefined and recontextualized such that modern and postmodern notions of myth are made to substitute for something that has never been experienced only imagined
