Many people think awakening is understanding that the world is not real. Actually, real awakening is being able to stay in the world to be a real human being even if you remember that the world is not real in your consciousness. A new world opens up the moment a person understands that the world does not have a meaning and your mission is to make it mean something. This book is very enlightening, strong, and awakening, and it's written in a very revolutionary approach. People meditate, do yoga, and do lots of exercises to get in tune with themselves, and yet they are still stressed, ill, and in panic in their daily lives. My book is about staying awake in your daily life every day, every moment, and every situation.

My Brutal Awakening Karen Patricia, 2024-12-01 In this gripping and deeply personal account, Karen Patricia invites readers into the shadowy corners of her life where unseen forces wreak havoc and the line between reality and the supernatural blurs. Plagued by relentless hauntings, oppressive energies, and a sense of being hunted, Karen battles the malevolent spirits that have taken hold of her home, her family, and her very soul. What begins as a series of unsettling encounters quickly escalates into a brutal awakening that forces Karen to confront her deepest fears, the traumas of her past, and the spiritual forces that have invaded her world. As she navigates the terrifying unknown, Karen's resilience is tested beyond measure. Armed with only her intuition, faith, and a fierce determination to reclaim her life, she embarks on a harrowing journey of self-discovery and spiritual warfare. **My Brutal Awakening** is a raw, unflinching exploration of the power of the human spirit in the face of unimaginable darkness. Through the chaos, Karen finds strength, guidance, and an unyielding light within herself, proving that even in the darkest times, hope is never truly lost. Prepare to be captivated, unsettled, and ultimately inspired by this unforgettable true story of survival and triumph over the unseen.

Blackbutterfly Soul Songs Dr. Queen Shamala Sykes, 2017-11-10 Just like many of us, Dr. Queen Shamala Sykes was once led down the long and winding path of soul exploration as she sought deeper answers to questions like "Who am I?" and "What is my purpose?" Dr. Sykes, an ordained minister and a metaphysical practitioner, relies on the symbolism of the butterfly to share poetic expressions about the soul. In a five-part collection, Dr. Sykes examines the meaning of the soul and shares the importance of soul awareness. According to Dr. Sykes, using ancient wisdom and a daily practice of meditation are sure ways to connect you with your soul, your gifts, and your talents. **Blackbutterfly Soul Song** interlaces symbolism with poetic expressions that will help guide anyone searching for transformation and renewal to find the answers to life's most complex questions. Breathtaking! This book evokes the spirit of the Self and highlights the purpose of the Soul. The words of the ancestors combined with the author's words speak with wisdom and clarity. This book is highly recommended for taking our thoughts to a higher level of understanding.
