Soul Surfer:

Soul Surfer Bethany Hamilton, 2004 Bethany Hamilton a teenage surfer lost her arm in a shark attack off the coast of Kauai Hawaii Not even the loss of her arm keeps her from returning to surfing the sport she loves **Raising a Soul Surfer** Rick Bundschuh, Cheri Hamilton, 2013-07-25 Cheri Hamilton Bethany's mom tells the inspiring story of the Hamilton Family Bethany Hamilton's incredible story of surviving and thriving in the wake of a shark attack told in her best selling autobiography Soul Surfer has sold more than 1.5 million copies Yet her family's adventures started long before Bethany lost her arm and became a pro surfer Now Cheri Hamilton Bethany's mom tells the inspiring story of the Hamilton Family Raising a Soul Surfer invites readers to journey with the Hamiltons to the lush islands of Hawaii to experience a worldwide news event Bethany's shark attack from her parents point of view Witness the many small steps of faith and how God stepped in and gave them a higher purpose **Soul Surfer Devotions** Bethany Hamilton, 2011-04-10 She's blonde brave and totally determined she's a gutsy professional surfer who has inspired millions and her biggest audience is teenage girls In this devotional Bethany speaks straight to her soul sisters about letting God lead in the epic ride of life In this devotional Bethany shares stories of women to admire prayers to focus on and wipeouts to avoid Girls will hear thoughts on friends family faith gossip and peer pressure Bethany covers it all This book will release in time for the scheduled Spring 2011 launch of Bethany's movie Soul Surfer starring AnnaSophia Robb Helen Hunt Dennis Quaid and Carrie Underwood This re-release is updated with new content a Where Is She Now page and journaling spots Soul Surfer Bethany Hamilton, 2014-05-09 Bethany Hamilton a teenage surfer lost her arm in a shark attack off the coast of Kauai Hawaii Not even the loss of her arm keeps her from returning to surfing the sport she loves *Soul Surfer Johnny Returns* Bill Missett, 2011-06-06 While writing Soul Surfer Johnny the first book in this series I was flooded with so many additional memories of Puerto Tranquilo that I knew a second book was waiting to be written By the time the first book was finished I had jotted down more than 125 other memorable episodes I was challenged to write the book that became Soul Surfer Johnny by Joel Fotinos vice president for spiritual books for Penguin Putnam publishers during a lunch we had in 2007 He had just read my Awakening The Soul The Trilogy and challenged me to write a novel incorporating the essence of that tome ala the most successful novel of the millennium Dan Brown's The Da Vinci Code While Soul Surfer Johnny is certainly no Da Vinci Code it does carry forth that essence of spiritual growth describing a young man's soul awakening The heart of the story however remains his many wild surfing adventures most in Puerto But it wasn't planned that way A number of years ago I began compiling a list of topics for my Puerto book which I knew I would write some day But I had no plans of incorporating those memories into the book Fotinos challenged me to write revealing how to create the spiritual awakening possible within each of us However when I started writing it was immediately apparent where this story was going to Puerto where my personal spiritual awakening occurred some 25 years earlier Thus the first Soul Surfer Johnny book had a serious underlying story of spiritual awakening

that seemed out of place in a surfing adventure novel But it really wasn't because what was being portrayed as happening to Johnny really had happened to me and has occurred to others so I knew it was eminently possible I had so much fun writing Soul Surfer Johnny that I immediately started writing this book its direct sequel but with a difference This volume does not have that heavy underlying story of spiritual growth but rather only occasional references to Johnny's continuing awakening It's mostly outrageous tales of his many Puerto adventures and episodes This book richly continues the adventures of Soul Surfer Johnny the story of an East Coast bad boy who becomes a good kid as he learns to surf in the waves off Southern California In the process he joins his own sort of gang then ventures south to the big waves of Southern Mexico He is guided to Puerto Tranquilo in the late 1970s by several of his fellow Tyrone Bros gang members who had discovered the fantastic surf break there several years before There he is witness to and participates in a bizarre series of adventures Unexpectedly he begins to explore his spirituality and discovers his true inner self for the first time dramatically improving his life Like its predecessor this continuing wild tale is almost true however sometimes the actual circumstances are slightly enhanced while conveying the basic truth For example a few wave heights may have been exaggerated occasionally except in the Big Wednesday chapter which is Johnny's true eye witness account But most of the book's stories actually happened as described It makes no claim toward being all inclusive or a legitimate history of the town It's just a lot of mostly true stories about a wonderful little town in Southern Mexico All stories are re-told as accurately as memory serves
