Souls Secret Door:

Through These Eyes Suzee Marincic, 2008-04-28 *Through These Eyes* is a collection of work from a traveler of life. During our days we all must travel and journey through an assortment of phases and stages until we inevitably come upon the path of growing into our true inner self. This book is the first process of that development, the first stage of that growing and discovering. It begins with a young girl who takes on life while being guided by senses and embarks on her inner growth of Light while writing along the way to help express herself through life lessons. Motherhood found her at an early age and that birth gave her a re-birth with life and inspiration to write *Through These Eyes* with hopes to help guide her son and introduce herself to him not only as his mother but as an everyday soul and in this first step begin to define a new meaning of what living is. This book of chronicles shows the human way of traveling through pain, tears, confusion, wondering, succeeding, smiling, and simply living. It introduces a real soul with real raw emotions with no holding back on her universal struggles to reach her full growth and altogether when it's all said and done it comes down to holding Light and Hope for this world.

Art of He-Man and the Masters of the Universe Various, 2015-04-28 In 1983 the world was introduced to He-Man and the Masters of the Universe. What followed was a cultural sensation that changed the landscape of children's entertainment forever. Join Mattel and Dark Horse in this comprehensive retrospective chronicling He-Man's decades-long epic journey from toy to television to film to a true pop culture phenomenon. *Prabuddha Bharata, Or, Awakened India*, 1923 **Embers**

Atia is a monster who feeds on fear. As the last of her kind, she hides in the shadows of the world to escape the wrath of the unpredictable God's. Silas is a Herald carrying messages and ferrying the dead as punishment for a past he can't remember. Stripped of his true name, he yearns to recover his identity. Atia would never dream of allying with someone like him, but when she breaks a sacred law and the God's send monsters to hunt her, Silas offers an irresistible deal: he'll help avenge her family and take on the God's who now hunt her if she helps him break his curse and restore his humanity. All they need to do is kill three powerful creatures: a vampire, a banshee, and one of the very God's who destroyed both their lives. Only together can they finally rewrite their destinies.
