Stripping Penguins Bare:

Stripping Penguins Bare Michael Carson, 1991 *Homoplot* Esther Saxey, 2008 *Homoplot* analyses the lesbian gay and bisexual coming out story in fiction and autobiography from the late 1960s to the present day. These stories are recognised as an invaluable record of lesbian gay or bisexual life. However, this book illuminates their equally vital role as active tools in the arduous project of creating gay, lesbian and bisexual identities, constructing the identities they seem to describe. *Homoplot* shows how a popular twist of the plot or a single common character trait can be a powerful intervention into sexual politics. Approaching these texts with the tools of queer criticism, the book celebrates their success but also illuminates their chief problem: how the need to create concrete sexual identities has often narrowed the range of queer experiences represented. Despite the ongoing popularity of coming out stories, this is the first book-length study of the genre. *Homoplot* surveys hundreds of examples, including in-depth readings of authors such as Jeanette Winterson, Dorothy Allison, Rita Mae Brown, Oscar Moore, Paul Monette and Aaron Fricke, and provides an incisive account of the genre's defining features. The book is essential reading for anyone considering queer literature or lesbian gay and bisexual identity in the twentieth century and beyond. Researchers and students considering life history and autobiography will also benefit from its analysis of feminist and queer politics.

Sucking Sherbet Lemons Michael Carson, 2011-11-21 What do you do when you're fat, 14, obsessed with the Catholic Church, with Doing the Right Thing, with scones and sweets, with other boys and their private parts? Well, if you're Benson, you panic and flee, hiding from the flesh as a novice in a monastery. Alas, St Finbar's monastery is as full of temptation as the grammar school he'd left behind. The devils of desire find Benson once again and throw him back into the world from which he'd tried to escape. Returned to school, Benson is still trying to square the circle of his conflicting enthusiasms and desires. Can he be both gay and Catholic? Gay and Happy Sucking Sherbet Lemons recounts the coming out experience of a gay man at a time when homosexual acts were illegal. Written in the late Eighties in response to those who condemned gay men in the light of the AIDS epidemic and instated Clause 28 to end discussion of the subject, this is a powerful and hilarious broadside aimed at the forces of intolerance, ignorance and fear. The times have changed with legalization and now even Civil Partnerships in Britain, but the difficulties, silence, bewilderment and embarrassment of coming out have not. *Sucking Sherbet Lemons* is a coming out novel for the ages. We are proud to re-release this gay classic to help entertain and console a new generation, gay, straight and all points in between.

Benson at Sixty Michael Carson, 2011 Martin Benson, after a lifetime away, has made it home to Merseyside. His sherbet lemons all sucked down, his penguins all stripped bare. He's bought a house at the top of his town and filled it with souvenirs of a wandering life. With memories and a stern partner, a motorcycle test examiner, Ted, who tripped over him comatose one dark night on the prom, sensed that Mr Benson was at battle with the bottle, took him to a meeting of QA (Queer Alcoholics) and moved in. After a life spent in the shallows, Benson has come to the point when he must face reality.
