Fitzgerald,2016-06-23 The life of Riley Davis has not always been full of rainbows and butterflies Humbled by the world around her Life Isnt Always Beautiful is her motto With her two best friends Sara and Keith she feels she is nothing less than unstoppable That is until she meets Jace Carmichael A handsome successful business man in a league of his own Two worlds collide sparking a raging fire that is filled with love passion and desire Leading Riley down a path of deception and betrayal It will not only test her strength and morals but also push the limits of the human spirit **Stripped** Maggie M. Werner,2020-11-11 Stripped examines the ways in which erotic bodies communicate in performance and as cultural figures Focusing on symbols independent of language Maggie M Werner explores the signs and signals of erotic dance audience responses to these codes and how this exchange creates embodied rhetoric Informed by her own ethnographic research conducted in strip clubs and theaters Werner analyzes the movement dress and cosmetic choices of topless dancers and neo burlesque performers Drawing on critical methods of analysis she develops approaches for interpreting embodied erotic rhetoric and the marginal cultural practices that construct women s public erotic bodies She follows these bodies out into the streets into the protest spaces where sex workers and anti rape activists challenge discourses about morality and victimhood and struggle to remake their own identities Throughout Werner showcases the voices of these performers and in the analyses shares her experiences as an audience member interviewer and paying customer The result is a uniquely personal and erudite study that advances conversations about women s agency and erotic performance moving beyond the binary that views the erotic body as either oppressed or empowered Theoretically sophisticated and delightfully intimate Stripped is an important contribution to the study of the rhetoric of the body and to rhetorical and performance studies more broadly
