

"A strong woman is one who feels deeply and loves fiercely. Her tears flow as abundantly as her laughter.

A strong woman is both soft and powerful, she is both practical and spiritual. A strong woman in her essence is a gift to the world."

Strong Woman Unshrouding The Secrets Of The Soul:

Strong Woman, Unshrouding the Secrets of the Soul M. Sue Benford, 2011-04-01 Originally published in 2002 this text recounts groundbreaking research on the controversial Shroud of Turin believed by many to be the actual burial cloth of Jesus It reveals yet another revelation of monumental proportions irrefutable evidence of how the etheric image of Jesus got on the cloth and what it means to humankind This evidence includes actual images from the quantum body or what many call the soul 268 pp

The Truth About the Shroud of Turin Robert K. Wilcox, 2010-02-16 The shroud of Turin is one of history's most controversial and perplexing relics Many believe it to be the genuine burial shroud of Jesus Christ Some hypothesize the image on the shroud was created through a rare scientific phenomenon Still others think the shroud is a fake proven through carbon tests in 1988 to be a clever forgery In *The Truth About the Shroud of Turin* investigative reporter Robert K Wilcox applies his investigative eye and compelling writing style to this mysterious artifact Featuring new evidence *The Truth About the Shroud of Turin* offers new insight into this baffling mystery and offers compelling evidence that the shroud is the authentic burial shroud of Jesus Christ Wilcox weaves an intriguing detective story utilizing over 30 years of research including trips the world over seeking to unravel the secrets of the world's most intensely studied artifact giving readers much evidence to decide if the Shroud is just an elaborate hoax or the actual burial cloth of Jesus JOSEPH MARINO shroud scholar

The Magdalene Awakening L. Shannon Andersen, 2006 This book is the result of a deep and profound quest for origins meaning and healing written at a time when the human condition appears more fractured from within than at any other time in history In writing *The Magdalene Awakening* Shannon Anderson has successfully journeyed to that sacred space and has lifted the veil for her readers revealing the atrium of immortality and enticing them to come and join her on her high mission The smooth narrative style of the book weaves together a magical journey through the author's quest for the true Magdalene energy the origins of the Cathars the Gematria that holds the sacred key and in the end a call for transformation This story is a page turner written by someone who knows and who allows her readers the rare opportunity to discover these mysteries for themselves but with the benefit of her company and wisdom to help them on their path Maria Magdalena Colavito Ph D author of *The Pythagorean Intertext in Ovid's Metamorphoses The New Theogony Mythology for the Real World*

Jesus Is the Way, Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving

teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don't laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest
