The Outline of Luke-Acts

Structure Of Luke Acts

Delbert L. Wiens

Structure Of Luke Acts:

Stephen's Sermon and the Structure of Luke-Acts Delbert Leroy Wiens, 1995 In this insightful and thorough study intended for serious students of the New Testament Delbert Wiens analyses Stephen's Sermon in Acts 7 and points out not only that it is a basic outline of the gospel the good news which the disciples were to proclaim but that its literary structure is paralleled by the structures of both Luke and Acts Stephen argued that Israel's sacred history revealed the developmental stages of the Kingdom of God which was completed with the event of the Christ Luke and Acts present the life of Jesus and the Church in parallel stages As Luke promised Theophilus Luke 1:1-4 the significance of the deeds and words of Jesus are to be discovered in the structure of what Luke had written **Towards a positive understanding of the structure of Luke-Acts** Mike F. Nola, 1987 The Ongoing Feast Arthur A. Just, 1993 From the perspective of the Emmaus narrative in Luke 24 this study is a literary critical analysis of Jesus table fellowship as an expression of the eschatological kingdom The first time Jesus is recognized by faith as the crucified and now risen Messiah occurs at Emmaus through his teaching on the road and in the breaking of the bread Emmaus is the transition between the meals of Jesus and early Christian meals setting the pattern of Christian worship as one of word and meal The Prophethood of All Believers Roger Stronstad, 1999-01-01 For centuries Christians have had the concept of the priesthood of all believers firmly engrained in their minds The prophethood of all believers on the other hand is so Stronstad believes the main focus of Spirit baptism in Luke Acts A landmark study in Lukan pneumatology this book is aimed at a mixed readership ranging from the scholar to the informed layperson The role of the Spirit in Luke is clearly portrayed in terms of vocational empowerment Traditionally Lukan pneumatology has been viewed through Pauline or Johannine spectacles but by interpreting Luke independently of the other Gospels and the epistles Stronstad has cogently argued for the historical and contemporary relevance of Spirit baptism He challenges the reader to develop a new appreciation of Luke's theology of the Holy Spirit and in fact to consider the role of the prophethood of all believers for today's world **The Structure of Luke and Acts** Andrew Queen Morton, George Hogarth Carnaby Macgregor, 1964 **The Blackwell Companion to The New Testament** David E. Aune, 2010-01-22 The Blackwell Companion to the New Testament is a detailed introduction to the New Testament written by more than 40 scholars from a variety of Christian denominations Treats the 27 books and letters of the New Testament systematically beginning with a review of current issues and concluding with an annotated bibliography Considers the historical social and cultural contexts in which the New Testament was produced exploring relevant linguistic and textual issues An international contributor list of over 40 scholars represent wide field expertise and a variety of Christian denominations Distinctive features include a unified treatment of Luke through Acts articles on the canonical Gospels and a discussion of the apocryphal New Testament *Stephen's sermon and the structure of Luke-Acts* Delbert L. Wiens, 1981 **An Introduction to the New Testament** M. Eugene Boring, 2012-10-13 This thoroughly researched textbook from well respected scholar M Eugene

Boring presents a user friendly introduction to the New Testament books Boring approaches the New Testament as a historical document one that requires using a hands on critical method Moreover he asserts that the New Testament is the church s book in that it was written selected preserved and transmitted by the church Boring goes on to explore the historical foundation and formation of the New Testament within the context of pre Christian Judaism and the world of Jesus and the early church He then examines the individual books of the New Testament providing helpful background information and methods for interpretation and revealing the narrative substructure found within each of the Gospels and Letters This volume includes helpful illustrations charts notes and suggestions for further reading Sections are laid out in a well organized manner to help students navigate the content more easily *Jesus and the Gospels (2nd Edition)* Craig Blomberg, 2020-05-21 A clear and comprehensive introduction to the study of Jesus and the Gospels Craig Blomberg s award winning *Jesus and the Gospels* prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries This updated edition incorporates new scholarship debate critical methods and the ongoing quest for the historical Jesus and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament **"You Will be My Witnesses"** R. Glenn Wooden, Timothy R. Ashley, Robert S. Wilson, 2003 The publication of this volume celebrates thirty seven extraordinary years of teaching at Acadia Divinity College and more years than that of dedicated service to the church It is a joy to honor the lifetime service of Allison Trites for his ministry of teaching and service to the church His commitment to the work of Christ has been an encouragement to all of his colleagues fellow workers and students not to mention his fellow church members at the Wolfville United Baptist Church from the foreword The two sections of this excellent collection of essays are Biblical Studies and History and Theology and include contributions by the following Timothy R Ashley Manfred T Brauch Daniel Goodwin Larry J Kreitzer Richard N Longenecker Tim McLay Andrew MacRae James R C Perkin Kevin Quast Alan P F Sell Robert S Wilson John Tudno Williams Roy Williams R Glenn Wooden

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Structure Of Luke Acts**

In a global inundated with screens and the cacophony of fast connection, the profound energy and emotional resonance of verbal artistry often fade into obscurity, eclipsed by the constant assault of noise and distractions.
