

A dramatic landscape featuring snow-capped mountains in the background and a rugged, rocky foreground. A large, dark, textured rock formation dominates the middle ground, with a small waterfall visible on the left side. The sky is filled with soft, white clouds, and the overall lighting is warm and golden, suggesting a sunrise or sunset. Soul of Adulthood John Friel,Linda D. Friel,2010-04-30 Adulthood is a choice It does not happen because we reach a certain age or income level Adulthood happens when we choose to pass through the many interconnected doors that lead to the deeper realms of our own souls The passage of time and the events around us may propel us toward maturity but it is up to us to pass through these doors When you read this book you will embark on a journey through many layers of soulfulness including Struggle Resistance Entitlement Disappointment Narcissism Trade offs Appreciation Love Power Graciousness Tradition Integrity and Victimhood Adulthood is a quality of soul that is chosen and earned through the very deepening

struggles that life offers us as we progress from birth to death We can engage these struggles anytime until the day we die It is never too late to grow up The Struggle of the Soul with God Blessed Francis Palau, 2020-07-17 An explicit explanation of a powerful prayer method this book is also a timely reminder of the history and tactics of Masonic revolutions which spread throughout the last three centuries It focuses on the only remedy to deliver Church and country from the strangleholds of the wicked groups whose ideologies infiltrated the Church and government in Palau s Spain which resulted in the reign of rampant hedonism and immorality The Church in Spain was silenced by government while cooperating Church officials became complicit in the societal chaos Rioting looting church burning and ransacking forced church closures denial of the Sacraments to the Faithful even the murder of priests and nuns were commonplace It is our hope that contemporary souls will understand the parallel of Palau s day to our own and once again engage in this glorious fight so desperately needed to accomplish this impossible task of saving Church and country from nothing less than destruction In Palau s words Even if no more than one soul succeeds in accomplishing this task even if that one soul be you we would consider our efforts very well paid indeed May the grace of God be with you Amen
