Bloodshot Stuart MacBride, 2008-09-16 Detective Sergeant Logan McRae's only chance of getting out from under Detective Inspectors Steel and Inch is to get noticed Not that any of his cases are the type that he wants to get noticed for For starters someone dumped a dying man at the hospital and the team can't ID him or the person who dumped him Even worse McRae is also after a knife wielding eight year old who is stirring up bad press for the department that does little for their case against Robert Macintyre Aberdeen's beloved star soccer player They're convinced he's a rapist but they can't hold him long enough to prove it Catching these perps is thankless work and McRae's chances of getting rewarded are as bad as Aberdeen's without their leading goal scorer With his third masterful installment in a series that combines suspense with a dark and distinctly Scottish wit award winning author Stuart MacBride is setting a blistering standard for the next generation of crime writers **The Comics of Alison Bechdel** Janine Utell, 2019-12-30 Contributions by Michelle Ann
