Crawford,Nicholas J. Zola,2019-07-11 This volume combines some of the leading voices on the composition and collection of early Christian gospels in order to analyze Tatian's Diatessaron The rapid rise and sudden suppression of the Diatessaron has raised numerous questions about the nature and intent of this second century composition It has been claimed as both a vindication of the fourfold gospel's early canonical status and as an argument for the canon's ongoing fluidity it has been touted as both a premiere witness to the earliest recoverable gospel text and as an early corrupting influence on that text Collectively these essays provide the greatest advance in Diatessaronic scholarship in a quarter of a century The contributors explore numerous questions did Tatian intend to supplement or supplant the fourfold gospel How many were his sources and how free was he with their text How do we identify a Diatessaronic witness Is it legitimate to use Tatian's Diatessaron as a source in New Testament textual criticism Is a reconstruction of the Diatessaron still possible These queries in turn contribute to the question of what the Diatessaron signifies with respect to the broader context of gospel writing and what this can tell us about how the writing rewriting and reception of gospel material functioned in the first and second centuries and beyond **Sacred Text** Juan Pedro Monferrer Sala,Angel Urbán,2009 This book which gathers seventeen contributions investigates some lexical and textual aspects in the sacred texts like the Bible in its several textual traditions and the Qur'an particularly those elements that serve to provide the textual structure with a lexical semantic framework These contributions have been focused on several linguistic aspects etymologies loanwords the symbolic or figurative values of the terms used in the text the syntagmatic potential of the words and the literary reflection of the terms like the basic reading of the text and its subsequent comprehension **Al-Qanṭara** ,2000 Corpus scriptorum christianorum orientalium Michael E.
