The Lost Cities Of Colorado:

The Lost Cities of Colorado Laurel Michele Wickersheim, Rawlene LeBaron, 2002-01-01 Life in Colorado's long vanished gold mining towns is reflected in its old frequently ephemeral newspapers and it is preserved in these pages thanks to the painstaking research of the authors. Census data has brought to life a cross section of the people who lived in mining camps and nascent towns; readers can see where they came from and speculate on their relationships. Information was also gleaned from old diaries, business directories and photographs. The authors personally trekked across the Front Range looking at deserted cabins and the remnants of Colorado's gold rush and have included directions to most of these ghost towns. The book is arranged by county and offers an overview of Colorado's gold rush history, the miners who helped settle Colorado and elements of the gold mining but the main focus is on the lost cities and mining camps along with stories of the miners who established these cities. Transcripts from original documents and photographs enhance the text. An excellent resource for genealogists and historians, a wonderful guidebook for campers, backpackers and treasure hunters and an enjoyable read for armchair adventurers. The authors are both members of the Indiana Society of Pioneers, the Colorado Historical Society and the Boulder Historical Society. *LOST CITIES & ANCIENT MYSTERIES OF THE SOUTHWEST* David Hatcher Childress, 2011-03-22 Popular Lost Cities author David Hatcher Childress takes to the road again in search of lost cities and ancient mysteries. This time he is off to the American Southwest, traversing the region's deserts, mountains and forests investigating archeological mysteries and the unexplained. Join David as he starts in northern Mexico and searches for the lost mines of the Aztecs. He continues north to west Texas, delving into the mysteries of Big Bend, including mysterious Phoenician tablets discovered there and the strange lights of Marfa. He continues northward into New Mexico where he stumbles upon a hollow mountain with a billion dollars of gold bars hidden deep inside it. In Arizona he investigates tales of Egyptian catacombs in the Grand Canyon, cruises along the Devil's Highway and tackles the century-old mystery of the Superstition Mountains and the Lost Dutchman mine. In Nevada and California Childress checks out the rumors of mummified giants and weird tunnels in Death Valley plus he searches the Mohave Desert for the mysterious remains of ancient dwellers alongside lakes that supposedly dried up tens of thousands of years ago. It's a full tilt blast down the back roads of the Southwest in search of the weird and wondrous mysteries of the past. *Lost Cities of North & Central America* David Hatcher Childress, 1992 Search for lost Mayan cities and books of gold discover an ancient canal system in Arizona, climb gigantic pyramids in the Midwest, explore megalithic monuments in New England and join the astonishing quest for the lost cities throughout North and Central America. Amazon.com *Colorado's Lost Gold Mines and Buried Treasure* Caroline Bancroft, 2012-09 Thirty romantic and fabled tales of Colorado's misplaced wealth inspire the reader to go search. The Lost City Alan Ehrenhalt, 1995-09-07 Ehrenhalt explores an almost forgotten era, the 1950's, by studying three Chicago area communities: St. Nicholas of Tolentine parish on the southwest side, Bronzeville where most of Chicago's blacks were forced to
