The Lust To Kill A Feminist Investigation Of Sexual Murder:

The Lust to Kill Deborah Cameron, Elizabeth Frazer, 1987 Mythologies of Violence in Postmodern Media Christopher Sharrett, 1999 This anthology examines a number of issues related to violence within the media landscape Violence has been a topic of continued concern within American culture and society Although there have been numerous sociological and historical studies of violence and its origins there is relatively little systematic analysis of violence within media representation even as this issue becomes preeminent within public discourse This anthology examines a number of issues related to violence within the media landscape using various methodologies to suggest the implications of the increasing obsession with violence for postmodern civilization Relating Rape and Murder Jane Monckton-Smith, 2010-08-16 This book is about relating the concepts of rape and murder in both senses of the term that is the way rape and murder are linked and related and also how stories of rape and murder are related or told **The Bloodiest Thing That Ever Happened In Front Of A Camera** Stephen Milligen, 2017-04-06 How porno chic became porno hell In the early 1970s outrageous claims were made of a new blood spattered cinematic extreme This was the legend of the snuff movie which promoted the inhuman notion that a woman had been murdered to satisfy the sexual appetite of a jaded public The story was produced by a kind of madness incarnate but it reflected the desperation of America in cultural turmoil Snuff was a backlash against the naive liberalism of the counterculture embraced by people who preferred to believe the worst about their society Once unleashed the concept was embraced and manipulated by the tabloid media and a variety of political and social crusaders each using it to further their own cause Brutal evil ghastly beyond belief snuff became an iconic urban legend This book is the true startling and hideously exploitative history of that legend and how it was created SNUFF THE BLOODIEST THING THAT EVER HAPPENED IN FRONT OF A CAMERA Lustmord Maria Tatar, 2020-07-21 In a book that confronts our society's obsession with sexual violence Maria Tatar seeks the meaning behind one of the most disturbing images of twentieth century Western culture the violated female corpse This image is so prevalent in painting literature film and most recently in mass media that we rarely question what is at stake in its representation Tatar however challenges us to consider what is taking place both artistically and socially in the construction and circulation of scenes depicting sexual murder In examining images of sexual murder Lustmord she produces a riveting study of how art and murder have intersected in the sexual politics of culture from Weimar Germany to the present Tatar focuses attention on the politically turbulent Weimar Republic often viewed as the birthplace of a transgressive avant garde modernism where representations of female sexual mutilation abound Here a revealing episode in the gender politics of cultural production unfolds as male artists and writers working in a society consumed by fear of outside threats envision women as enemies that can be contained and mastered through transcendent artistic expression Not only does Tatar show that male artists openly identified with real life sexual murderers George Grosz posed as Jack the Ripper in a photograph where his model and future wife was the target of his knife but she

also reveals the ways in which victims were disavowed and erased Tatar first analyzes actual cases of sexual murder that aroused wide public interest in Weimar Germany She then considers how the representation of murdered women in visual and literary works functions as a strategy for managing social and sexual anxieties and shows how violence against women can be linked to the war trauma to urban pathologies and to the politics of cultural production and biological reproduction In exploring the complex relationship between victim and agent in cases of sexual murder Tatar explains how the roles came to be destabilized and reversed turning the perpetrator of criminal deeds into a defenseless victim of seductive evil Throughout the West today the creation of similar ideological constructions still occurs in societies that have only recently begun to validate the voices of its victims Maria Tatar's book opens up an important discussion for readers seeking to understand the forces behind sexual violence and its portrayal in the cultural media throughout this century

Gender and Sexuality Momin Rahman, Stevi Jackson, 2010-12-06 This new introduction to the sociology of gender and sexuality provides fresh insight into our rapidly changing attitudes towards sex and our understanding of masculine and feminine identities relating the study of gender and sexuality to recent research and theory and wider social concerns throughout the world

The Murder of Helen Jewett Patricia Cline Cohen, 1999-06-29 In 1836 the murder of a young prostitute made headlines in New York City and around the country inaugurating a sex and death sensationalism in news reporting that haunts us today Patricia Cline Cohen goes behind these first lurid accounts to reconstruct the story of the mysterious victim Helen Jewett From her beginnings as a servant girl in Maine Helen Jewett refashioned herself using four successive aliases into a highly paid courtesan She invented life stories for herself that helped her build a sympathetic clientele among New York City's elite and she further captivated her customers through her seductive letters which mixed elements of traditional feminine demureness with sexual boldness But she was to meet her match and her nemesis in a youth called Richard Robinson He was one of an unprecedented number of young men who flooded into America's burgeoning cities in the 1830s to satisfy the new business society's seemingly infinite need for clerks

The son of an established Connecticut family he was intense arrogant and given to posturing He became Helen Jewett s lover in a tempestuous affair and ten months later was arrested for her murder He stood trial in a five day courtroom drama that ended with his acquittal amid the cheers of hundreds of fellow clerks and other spectators With no conviction for murder nor closure of any sort the case continued to tantalize the public even though Richard Robinson disappeared from view Through the Erie Canal down the Ohio and the Mississippi and by way of New Orleans he reached the wilds of Texas and a new life under a new name Through her meticulous and ingenious research Patricia Cline Cohen traces his life there and the many twists and turns of the lingering mystery of the murder Her stunning portrayals of Helen Jewett Robinson and their raffish colorful nineteenth century world make vivid a frenetic city life and sexual morality whose complexities contradictions and concerns resonate with those of our own time

Representing Shakespeare Robert Shaughnessy,2014-07-15 This text traces the changing theatrical and cultural identity of the History plays in the context of postwar social and political conflict crisis and change Since the company s inception in the early 1960s the RSC s commitment to relevance has fostered close relationships between Shakespearean criticism and performance and between the theatre and its audiences Through a detailed discussion of key productions from *The War of the Roses* in 1963 to *The Plantagenets* in 1988 Robert Shaughnessy emphasizes the political dimension of contemporary theatrical representations of Shakespeare and of the Shakespearean modes of history that these plays have been employed to promote individualist cyclical male dominated and driven by essentialised transcendent human nature

Male Envy Mervyn Nicholson,1999-01-01 Taking as his central argument that relations between males in western society are deeply colored if not actually determined by envy Mervyn Nicholson ranges across disciplines and eras in a fascinating utterly unique analysis of this taboo subject This book presents a series of motifs that are associated with male envy locating each in a particular historical context and illustrating it with examples drawn from literature film and popular culture Unlike earlier treatments of envy by psychoanalysts or feminist theorists this book moves beyond mere illustration of the problem to actually construct a theory about how the code of Male Envy shapes social consciousness in modern culture A truly pathbreaking work Male Envy merits a close reading by gender theorists literary critics and social psychologists

Monstrosity Alexa Wright,2013-06-30 From the Monster of Ravenna to the Elephant Man Myra Hindley and Ted Bundy the visualisation of real human monsters has always played a part in how society sees itself But what is the function of a monster Why do we need to embody and represent what is monstrous This book investigates the appearance of the human monster in Western culture

both historically and in our contemporary society It argues that images of real rather than fictional human monsters help us both to identify and to interrogate what constitutes normality we construct what is acceptable in humanity by depicting what is not quite acceptable By exploring theories and examples of abnormality freakishness madness otherness and identification Alexa Wright demonstrates how monstrosity and the monster are social and cultural constructs However it soon becomes clear that the social function of the monster however altered a form it takes remains constant it is societal self defence allowing us to keep perceived monstrosity at a distance Through engaging with the work of Michel Foucault Julia Kristeva and Canguilhem to name but a few Wright scrutinises and critiques the history of a mode of thinking She reassesses and explodes conventional concepts of identity obscuring the boundaries between what is normal and what is not **#MeToo, Weinstein and Feminism** Karen Boyle, 2019-11-04 This book provides a feminist analysis of MeToo and the sexual assault allegations against celebrity perpetrators which have emerged since the Weinstein story of October 2017 It argues for the importance of understanding MeToo in relation to an on going history of Anglo American feminist activism theory and interdisciplinary research Boyle investigates how speaking out about rape sexual assault and harassment on social media can be understood in relation to second wave feminist traditions of consciousness raising Her argument explores the media depiction of feminism and feminists in the wake of Weinstein and the cultural values associated with men s abuse particularly within the film and television industries The book concludes with an exploration of what the MeToo era has meant for men as victims survivors and as alleged perpetrators in relation to narratives of victimisation and of monstrosity Jack the Ripper & the London Press L. Perry Curtis, 2020-08-11 Breaks new ground in its examination of the role of newspaper reporting during the police hunt for the first notorious serial killer Reviews in History Press coverage of the 1888 mutilation murders attributed to Jack the Ripper was of necessity filled with gaps and silences for the killer remained unknown and Victorian journalists had little experience reporting serial murders and sex crimes This engrossing book examines how fourteen London newspapers dailies and weeklies highbrow and lowbrow presented the Ripper news in the process revealing much about the social political and sexual anxieties of late Victorian Britain and the role of journalists in reinforcing social norms L Perry Curtis surveys the mass newspaper culture of the era delving into the nature of sensationalism and the conventions of domestic murder news Analyzing the fourteen newspapers two of which emanated from the East End where the murders took place he shows how journalists played on the fears of readers about law and order by dwelling on lethal violence rather than sex offering gruesome details about knife injuries but often withholding some of the more intimate details of the pelvic mutilations He also considers how the Ripper news affected public perceptions of social conditions in Whitechapel The apparently motiveless violence of the Whitechapel killings denied journalists a structure and it is the resulting creativity in news reporting that L Perry Curtis Jr describes His impressive book makes a genuine contribution to 19th century history in a way that books addressing the banal question of the identity of the Ripper do not The Guardian Passion, Humiliation,

Revenge Lapidus,1955-01-01 This book reveals the phenomenon in Russian prose in which a male protagonist finds himself perpetuating a cycle of passion humiliation and revenge within his relationships with women By examining the mental and emotional state of the male protagonist who finds himself in a sexual situation Rina Lapidus explores how his passion for a woman leads the man into an encounter that causes him humiliation and ends up eliciting a powerful desire on his part to punish the woman who initially arouses his erotic feeling The male protagonist directs his fury at the woman seeking vengeance because of the shame he has suffered Lapidus shows how the man sees himself as a highly spiritual being and finds it difficult to come to terms with his sexual nature The author argues that this denial of desire leads the man to take out his frustration with himself on the woman projecting all of his faults and guilt onto her When the woman brings the male protagonist low his thirst for revenge becomes a powerful driving force in his life that eventually brings about his downfall This book will be of interest to those studying in the areas of Russian literature psychology and gender studies *Violence in Everyday Life* Aliraza Javaid,2020-07-23 *Violence in Everyday Life* explores how identity markers such as gender and sexuality intersect with violence synthesizing the themes of gender sexuality and violence to offering a crucial and coherent framework for understanding the interrelationship between these concepts Aliraza Javaid explores how violence is experienced at a local regional and global level and considers the ways in which hegemonic masculinities are reproduced through violence Attention is given to the particular ways in which these constructions of masculinity are reflected in areas such as homophobic violence transphobic violence and violence against intimate partners Drawing on new empirical data and his own personal experiences of violence as well as identifying new areas for further research Javaid s work represents a unique study of the interconnectedness of violence gender and sexuality and of how violence is fuelled by society s attitudes towards masculinity *True Crime and Women* Lili Pâquet,Rosemary Williamson,2024-08-22 Bringing new research from true crime writers scholars and media practitioners around the world this book offers fresh perspectives on how women read write and are portrayed in true crime stories across different platforms including documentaries podcasts and TikToks The genre of true crime is flourishing and it is overwhelmingly consumed by women Despite this there is much we do not know about how women consume true crime and are represented in true crime stories of various kinds This edited volume helps to fill this gap in our knowledge Across ten chapters and using a variety of study methods including creative practice interviews surveys archival research and case studies the book reveals the multifaceted ways that true crime matters to women and suggests areas of future research It also offers new insights on a diverse range of topics such as racial identities fraudsters activism victimisation and deviance as well as highlighting major cases from past to present which have influenced criminal justice responses *True Crime and Women* is intended for researchers and students of criminology literary studies gender studies media and journalism studies and rhetorical studies as well as media practitioners and writers
