The Mad Potter of Biloxi Garth Clark, Robert A. Ellison, Eugene Hecht, 1989 A brilliantly written lavishly produced volume on an important yet little known clay artist **The Mad Potter** Jan Greenberg, Sandra Jordan, 2013-10-29 From the authors of the Sibert Honor book *Ballet for Martha* comes this biography of the world's most enigmatic and eccentric pottery artist Illustrations **George Ohr** Ellen J. Lippert, 2013-11-08 The late nineteenth century Biloxi potter George Ohr 1857-1918 was considered an eccentric in his time but has emerged as a major figure in American art since the discovery of thousands of examples of his work in the 1960s Currently Ohr is celebrated as a solitary genius who foreshadowed modern art movements While an intriguing narrative this view offers a narrow understanding of the man and his work that has hindered serious consideration Ellen J Lippert in her expansive study of Ohr and his Gilded Age context counters this fable The tumultuous historical moment that Ohr inhabited was a formative force in his life and work Using primary documentation Lippert identifies specific cultural changes that had the most impact on Ohr Developments in visual display and the altered role of artists the southerner redefined in the wake of the Civil War interest in handicraft as an alternative to rampant mass production emerging tenets of social thought seeking to remedy worker exploitation and new assessments of morals and beauty as a result of collapsed ideals all played into the positioning Ohr purposefully designed for himself The second part of Lippert's study applies these observations to Ohr's body of work interpreting his stylistic originality to be expressions of the contradictions and oppositions particular to late nineteenth century America Ohr threw his inspiration into being both the sophisticate and the rube the commercial huckster and the selfless artist the socialist and the individualist the old fashioned craftsman and the artist genius He created art pottery as both a salable commodity and a priceless creation His work could be ugly and deformed or even obscene and beautiful Lippert reveals that far from isolated Ohr and his creations were very much products of his inspired engagement with the late nineteenth century [American Masters of the Mississippi Gulf Coast](#) Patti Carr Black, 2009 A celebration of four Mississippi artists and their nationally renowned work [Art in Mississippi, 1720-1980](#) Patti Carr Black, 1998 In *Art in Mississippi* Patti Carr Black focuses on several hundred significant artists and showcases in full color the work of more than two hundred Nationally acclaimed native Mississippians are here George Ohr Walter Anderson Marie Hull Theora Hamblett William Dunlap Sam Gilliam William Hollingsworth Jr Karl Wolfe Mildred Nungester Wolfe John McCrady Ed McGowin James Seawright and many others Prominent artists who lived or worked in the state for a significant period of time are included as well John James Audubon Louis Comfort Tiffany George Caleb Bingham William Aiken Walker and more Black explores how art reflects the land and how modes of living and values dictated by Mississippi's changing topography created a variety of art forms She demonstrates the influence of Mississippi's diverse cultures upon the art and shows how it has responded in many forms painting architecture sculpture fine crafts to the changing aesthetics of national art movements [The Potter's Art](#) Henry Glassie, 1999 Coming into being the work of art
