The Magician of Sunset Boulevard by Frederick Kohner

Introduction by Charles Champlin,
Arts Editor, *Los Angeles Times*

"You have to practice magic in a life between film and reality," wrote *Revue* Danton, the *Hamburger* reviewer, when the German edition of *THE MAGICIAN OF SUNSET BOULEVARD* appeared in 1974. Paul Kohner has spun a special kind of magic for four decades as an agent for an astonishing range of personalities and talents, as he has matched them with the strategies, memories, and wits which have been the film capital's stock in trade.

Huston, Brennan, Wyler, Kazan, Chevalier, Hemingway, Eisstein, Cagney, Fellini, Ulmstein, Kiesinger, Bergman, Fonda, Faderewski, Ireland, Reinhardt, Tarras, Ratoff, Garbo . . . names of yesterday and today which have touched hearts as well as touched off sparks and transmutative alchemists. Paul Kohner has worked with these people as agent, confidante, friend—and sometimes as amiable adversary.

If Paul Kohner is a magician, his brother, Frederick, is another kind of illusionist in depicting the amazing, poignant, erratic, gifted thing that his brother has represented and befriended against the usually harsh and often harsh backdrop of Hollywood. The resulting narrative is warm, charming, exuberant—and highly credible. The book deals modestly and sensitively with mercurial personalities in a volatile atmosphere, somehow kept under rein by a man as gifted in human understanding and business acumen as his headline clients are gifted in their arts.

That Paul Kohner still is one of Hollywood's most respected names attests to his ability through jarring transitions to maintain the dignity and integrity which have typified his career from the beginning.

THE MAGICIAN OF SUNSET BOULEVARD provides a record of a remarkable man who built a career and maintained it through constantly changing times. It also provides an unusual history of the world of film from its inception to the universal medium it has become. This story, told with humor and dignity, is one of the best stories Hollywood will ever have told about itself.
