Karl Kroeber, Gene W. Ruoff,1993 This anthology fills the need for a comprehensive up to date collection of the most important contemporary writings on the English romantic poets During the 1980s many theoretical innovations in literary study swept academic criticism Many of these approaches from deconstructive new historicist and feminist perspectives used romantic texts as primary examples and altered radically the ways in which we read Other major changes have occurred in textual studies dramatically transforming the works of these poets The world of English romantic poetry has certainly changed and Romantic Poetry keeps pace with those changes Karl Kroeber and Gene W Ruoff have organized the book by poet Blake Wordsworth Coleridge Byron Shelly and Keats and have included essays representative of key critical approaches to each poet s work In addition to their excellent general introduction the editors have provided brief helpful forewords to each essay showing how it reflects current approaches to its subject The book also has an extensive bibliography sure to serve as an important research aid Students on all levels will find this book invaluable *The Making of a Cultural Landscape* Jason Wood,John K. British Romanticism and the Literature of Human Interest Mai-Lin Cheng,2017-12-22 British Romanticism and the Literature of Human Interest explores the

importance to Romantic literature of a concept of human interest It examines a range of literary experiments to engage readers through subjects and styles that were at once interesting and that in principle were in their interest These experiments put in question relationships between poetry and prose lyric and narrative and literature and popular media The book places literary works by a range of nineteenth century writers including William and Dorothy Wordsworth Thomas De Quincey Samuel Taylor Coleridge Mary and Percy Shelley Lord Byron and Matthew Arnold into dialogue with a variety of non literary and paraliterary forms ranging from newspapers to footnotes The book investigates the generic structures of Romantic literature and the negotiation of the status of literature in the period in relation to a new media landscape It explores the self theorization of Romantic literature and argues for its value to contemporary literary criticism

Secret Diaries Of Miss Anne Lister: Vol. 1 Anne Lister,2010-11-04 Discover the extraordinary diaries of the real Anne Lister the inspiration for Gentleman Jack and Emma Donoghue s new novel Learned By Heart Engaging revealing at times simply astonishing SARAH WATERS Anne Lister s sense of self and self awareness is what makes her modern to us The diaries gave me courage JEANETTE WINTERSON The Lister diaries are the Dead Sea Scrolls of lesbian history EMMA DONOGHUE When this volume of Anne Lister s diaries was first published in 1988 it was hailed as a vital piece of lost lesbian history The editor Helena Whitbread had spent years painstakingly researching and transcribing Lister s extensive journals much of which were written in an elaborate code what Lister called her crypt hand which allowed her to record her life in intimate and at times explicit detail Until then Anne Lister s lesbianism had been suppressed or hinted at this was the first time her story had been told Anne Lister defied the role of nineteenth century womanhood she was bold fiercely independent a landowner industrialist traveller and lesbian a woman who lived her life on her own terms These diaries include the years 1816 1824 The second volume continuing Anne s story THE SECRET DIARIES OF MISS ANNE LISTER NO PRIEST BUT LOVE is now available

*Romanticism at the End of History* Jerome Christensen,2021-04-27 A refreshingly new discussion of Romanticism provides new insights into the connection between the lives and works of Wordsworth and Coleridge Rocky Mountain Review of Language and Literature The Romantics lived through a turn of the century that like our own seemed to mark an end to history as it had long been understood They faced accelerated change including unprecedented state power armies capable of mass destruction a polyglot imperial system and a market economy driven by speculation In Romanticism at the End of History Jerome Christensen challenges the prevailing belief that the Romantics were reluctant to respond to social injustice Through provocative and searching readings of the poetry of Wordsworth the poems criticism and journalism of Coleridge the Confessions of De Quincey and Sir Walter Scott s Waverley Christensen concludes that during complicated times of war and revolution English Romantic writers were forced to redefine their role as artists The most brilliant comprehensive and humanizing discussion of Romanticism I ve encountered in a long time criticism that unabashedly loves

its subject Frank McConnell University of California Santa Barbara How asks Christensen can one resist commercialist hegemony in the posthistorical world This book bravely and passionately asserts the contemporary relevance of the utopian impulse in Romantic writing without falling prey to its ideological posturing Modern Language Review Christensen's formulation of the Romantics is fascinating bound up with the future of poetry as well as the way in which we should think about their historical significance This Year's Work in English Studies
