last decade or so many books have been devoted to the history of Europe Two conceptual axes predominate in a large number of these accounts a discourse focusing on Europe s values and another discourse fashioned largely in opposition to the first which emphasizes the process of European construction The first conceives of Europe s past teleologically as a process by which certain values Christian ethics individualism capitalism tolerance republicanism due process etc were affirmed and came to define European culture The second approach rejects the discourse on values emphasizes the post Enlightenment emergence of the concept of Europe and the political and ideological implications in its continuous redefinitions and re elaborations during the past two or more centuries This volume offers new approaches that integrate the long temporal dimension of the values based approach albeit devoid of its teleological element with the constructivist interpretation **The Whole Pleasures of Matrimony: Interwoven with Sundry Delightful and Comical Stories ...**

Written by E. W., Gent. [Edward Ward] ... To which is Added, the Destructive Miseries of Whoring and

Debauchery, Etc E. W. (Gent.),1710 *The Wedding of Magdeburg* Gertrud Von Le Fort,2024-11-15 The Wedding of Magdeburg is no ordinary wedding Germany 1630 a world turned upside down by the Reformation In the Free Imperial City of Magdeburg one young bride is jilted on the eve of her nuptials but as she waits for her groom to return an even darker cloud looms the Holy Roman Empire stands at the gates ready to take the Protestant city as its own political bride Will Magdeburg accept the proposal for the sake of peace or will she rebel and risk losing the battle altogether This masterpiece by Nobel Prize nominee Gertrud von le Fort elegantly translated by Chase Faucheux has never before appeared in English At once love story political thriller and historical study of war in the seventeenth century it follows the Sack of Magdeburg the tragic battle now considered one of the greatest massacres of the Thirty Years War Le Fort acclaimed author of *The Song at the Scaffold* takes a magnifying glass to the line that runs through every human heart whether Protestant or Catholic winning or losing conquered or conquering How do we find hope in the midst of destruction How do we find freedom in total

surrender With wisdom riveting storytelling and incredible psychological subtlety The Wedding of Magdeburg tabulates the spiritual cost of war and shows how grace can dramatically imbue even the darkest moments of history **Kalevala : the Epic Poem of Finland — Complete** Anonymous,2022-09-04 The Kalevala the Epic Poem of Finland is a monumental collection of mythical narratives that intertwine folklore and history capturing the essence of Finnish culture and identity Constructed through a masterful assemblage of oral traditions and poetic forms this epic unfolds a tapestry of heroes goddesses and the profound interplay of nature and humanity Its rich trochaic tetrameter mirrors the oral storytelling practices creating a rhythmic flow that immerses readers in the enchanting landscapes and conflicts of ancient Finland The origins of the Kalevala are steeped in the dedication of its compiler Elias Lönnrot a physician and philologist whose life was marked by a profound commitment to the preservation of Finnish folklore Lönnrot traveled extensively through rural Finland collecting songs and tales that had been passed down through generations This deep engagement with the oral traditions informed his vision of a national epic that not only celebrates Finnish culture but also serves as a resistance against Russian domination in the 19th century I highly recommend the Kalevala to readers interested in mythology literature and cultural identity This timeless epic is not only a reflection of Finnish heritage but also resonates universally inviting contemplation on the power of storytelling and the collective human experience **Kalevala** Anonymous,2022-01-04 The Kalevala is the national epic of Karelia and Finland and one of the most significant works of Finnish literature Today's modern version was compiled in the 19th century by Elias Lönnrot from Karelian and Finnish oral folklore and mythology The epic tells the story about the Creation of Earth describing the controversies and retaliatory voyages between the peoples of the land of Kalevala called Väinöland and the land of Pohjola and their various protagonists and antagonists as well as the construction and robbery of the mythical wealth making machine Sampo **Angelomorphic Christology** Gieschen,2018-07-17 This study demonstrates that angel and angel related traditions especially those growing from the so called Angel of the Lord in the Hebrew Bible had a significant impact on the origins and early development of Christology to the point that an Angelomorphic Christology is discernable in several first century texts Significant effort is given to tracing the antecedents of this Christology in the angels and divine hypostases of the Hebrew Bible and Second Temple Jewish literature The primary content of this volume is the presentation of pre 150 CE textual evidence of Angelomorphic Christology This religious historical study does not spawn a new Christology among the many scholarly Christologies already extant Instead it shows the interrelationship of various Christological trajectories and their adaptation from Jewish angelomorphic traditions **Searching for Sappho: The Lost Songs and World of the First Woman Poet** Philip Freeman,2016-02-15 An exploration of the fascinating poetry life and world of Sappho including a complete translation of all her poems For more than twenty five centuries all that the world knew of the poems of Sappho the first woman writer in literary history were a few brief quotations preserved by ancient male authors Yet those meager remains showed such power and genius that they captured the imagination of readers through the

ages But within the last century dozens of new pieces of her poetry have been found written on crumbling papyrus or carved on broken pottery buried in the sands of Egypt As recently as 2014 yet another discovery of a missing poem created a media stir around the world The poems of Sappho reveal a remarkable woman who lived on the Greek island of Lesbos during the vibrant age of the birth of western science art and philosophy Sappho was the daughter of an aristocratic family a wife a devoted mother a lover of women and one of the greatest writers of her own or any age Nonetheless although most people have heard of Sappho the story of her lost poems and the lives of the ancient women they celebrate has never been told for a general audience Searching for Sappho is the exciting tale of the rediscovery of Sappho's poetry and of the woman and world they reveal

In Nature's Honor Patricia Montley, 2005 In Nature's Honor explores the eight solar holidays that mark the turning of the Wheel of the Year Each chapter begins with a history of the holiday the ways in which it has been celebrated from ancient to modern times its relationship to other religious and secular celebrations and its cultural and mythological foundations This history is followed by recommendations for specific activities to celebrate the season that individuals families or small groups can enjoy The chapters conclude with formal rituals suitable for use in larger faith communities These include scripted narration songs dramatic enactments litanies of seasonal blessings readings from poetry and mythology and suggestions for ceremonial food In Nature's Honor reconnects the modern spiritual seeker with the earth centered practices of our ancestors This work explores the seasonal rituals that celebrate the earth and our connection to it which is not just physical but profoundly spiritual

FROM THE AUTHOR From the Authorz In writing this book I discovered the most important theme running through the history of rituals related to the earth's seasons is renewal The wheel turns and the old season gives way to the new the old year to the new the old life to the new Each planting of seeds promises new possibilities Each harvest brings sustenance for yet another year Each fallow time regenerates the life of the soil The sun deities retreat and return The grain goddesses are lost and restored The vegetation gods die and rise again The cycle of life goes on and on birth after death after birth Perhaps what all the rituals celebrate is this ongoingness of life the miraculous natural world that makes it possible and our abiding connection to it For the ancients the interdependence was clear When the people fasted on the eve of a new season's beginning they purified not just their own bodies but the land itself The fires that encouraged the fecundity of the land also made its people fertile For us moderns distanced from the earth by technology the interdependence is not as clear And we are paying the price in polluted air and water in soil erosion in deforestation in global warming How different the condition of the planet might be if we allowed ourselves to be renewed at each turning of the wheel of the year if we took the time periodically to celebrate the beauty and bounty of nature

PsychoBible Armando Favazza, 2014-07-01 With 2 000 religious denominations and nearly 500 000 churches and temples in the United States the Bible is not only doctrinally confusing but behaviorally confusing too Is it a sin to drink alcohol Will prayer cure the sick Is homosexuality an abomination Why is celibacy so highly valued Do belief and feminism mix How should the Passion be

interpreted In this enlightening and entertaining work Armando Favazza a world renowned psychiatrist specializing in culture and society explores these and other questions and examines the impact of the Bible on behavior through time and space from the Holy Book s gradual formation thousands of years ago to the present day This is an indispensable work for all those interested in better understanding the foundations of society s and perhaps even their own beliefs and behaviors and is a thought provoking read for those not afraid to inform their faith Telling Lives, Telling History Susan

Rodgers,1995-04-19 These two memoirs provide windows into the Sumatran past in particular and the early 20th century history of south east Asia in general In reconstructing their own passage into adulthood the writers tell the story of their country s turbulent journey to independence
