Manuscript of The Make Believe David Nicholas Schaffer,1926      The Make-Believe Space Yael

Navaro-Yashin,2012-03-12 Looks at the Turkish territory of Northern Cyprus a self defined state which is actually imaginary because it is only recognized by Turkey This title examines the sense of haunted property and objects lost and gained in the partition along with people s relation to the fictive remapping of places and history by this new state      The Cruise of the Make-Believes Tom Gallon,2022-06-03 The book The Cruise of the Make Believes is a novel written by Tom Gallon The thin young man with the glossy hat got out of the cab at the end of the street and looked somewhat distrustfully down that street glanced with equal distrust at the cabman A man lounging against the corner public house as though to keep that British institution from falling and leaving him without refreshment got away from it and inserted himself between the driver and the fare ready to give information or advice to both on the strength of being a local resident is an excerpt from the first chapter The Princess Next Door of the book      The New Leviathan R. G. Collingwood,2015-05-06 This early work by Robin G Collingwood was originally published in 1942 and we are now republishing it with a brand new introductory biography The New Leviathan is an academic work on the subject of philosophy Robin George Collingwood was born on 22nd February 1889 in Cartmel England He was the son of author artist and academic W G Collingwood He was greatly influenced by the Italian Idealists Croce Gentile and Guido de Ruggiero Another important influence was his father a professor of fine art and a student of Ruskin He published many works of philosophy such as Speculum Mentis 1924 An Essay on Philosophic Method 1933 and An Essay on Metaphysics 1940      Broadway Actors in Films, 1894-2015 Roy Liebman,2017-02-07 Many Broadway stars appeared in Hollywood cinema from its earliest days Some were 19th century stage idols who reprised famous roles on film as early as 1894 One was born as early as 1829 Another was cast in the performance during which Abraham Lincoln was assassinated One took her stage name from her native state Some modern day stars also began their careers on Broadway before appearing in films This book details the careers of 300 performers who went from stage to screen in all genres of film A few made only a single movie others hundreds Each entry includes highlights of the performer s career a list of stage appearances and a filmography      **The Restless Quest** Julian Hartt,2004-10-04 The Restless Quest is a collection of essays by Julian N Hartt These essays came out of Dr Hartt s teaching and ministerial experiences most are the results of years of observation and reflection Throughout them he applies a persistent and coherent position to a variety of theological topics Dr Hartt shows us that not all traditional Christian beliefs have been liquidated by secularist presumption or liberal construction Because of his very lucid writing it is not necessary to learn first what Barth Tillich Bultmann or their disciples have said He further illustrates that there are ways of doing theology in the context of American life and the American church that do not perpetuate the myth that all theological styles necessarily derive from Germany or Denmark Julian N Hartt writes God s forgiveness is truly wonderful he has everlastingly in view the renewal of a human resolution to walk ever in more Godly

P.'s Weekly ,1913 Ethics in the Virtual World Garry Young,2014-09-11 Ethics in the Virtual World examines the gamer s enactment of taboo activities in the context of both traditional and contemporary philosophical approaches to morality The book argues that it is more productive to consider what individuals are able to cope with psychologically than to determine whether a virtual act or representation is necessarily good or bad The book raises pertinent questions about one of the most rapidly expanding leisure pursuits in western culture should virtual enactments warrant moral interest Should there be a limit to what can be enacted or represented within these games Or is it all just a game **Catalog of Copyright Entries** ,1945 *The Century Dictionary* ,1890 *Dictionary of St. Lucian Creole* Jones E. **The Natural History of Make-believe** John Goldthwaite,1996 The Man in the Moon has dropped down to earth for a visit Over the hedge a rabbit in trousers is having a pipe with his evening paper Elsewhere Alice is passing through a looking glass Dorothy riding a tornado to Oz and Jack climbing a beanstalk to heaven To enter the world of children s literature is to journey to a realm where the miraculous and the mundane exist side by side a world that is at once recognizable and real and enchanted Many books have probed the myths and meanings of children s stories but Goldthwaite s Natural History is the first exclusively to survey the magic that lies at the heart of the literature From the dish that ran away with the spoon to the antics of Brer Rabbit and Dr Seuss s Cat in the Hat Goldthwaite celebrates the craft the invention and the inspired silliness that fix these tales in our minds from childhood and leave us in a state of wondering to know how these things can be Covering the three centuries from the fairy tales of Charles Perrault to Maurice Sendak s Where the Wild Things Are he gathers together all the major imaginative works of America Britain and Europe to show how the nursery rhyme the fairy tale and the beast fable have evolved into modern nonsense verse and fantasy Throughout he sheds important new light on such stock characters as the fool and the fairy godmother and on the sources of authors as diverse as Carlo Collodi Lewis Carroll and Beatrix Potter His bold claims will inspire some readers and outrage others He hails Pinocchio for example as the greatest of all children s books but he views C S Lewis s The Chronicles of Narnia as a parable that is not only murderously misogynistic but deeply blasphemous as well Fresh incisive and utterly original this rich literary history will be required reading for anyone who cares about children s books and their enduring influence on how we come to see the world The Cruise of the Make-believes Tom Gallon,1907 **The Century Dictionary and Cyclopedia: Dictionary** ,1897
