The Bolsheviks Volume II John D. Loscher,2009-09 We must seek to build a Russia based on three sound principles Peace Land and Bread NOTHING ELSE William Donaldson newly promoted Charge d Affaires for the United States Embassy in Petrograd formerly Saint Petersburg Russia could only cringe at hearing Lenin's stirring proclamation announcing the primary goals for the Petrograd Soviet These ambitious words ran counter to the aims of his employer the American government As an American diplomat during the administration of President Woodrow Wilson William is obligated to support his country's self-serving objectives But as the husband to Sonja Mastrova a Russian nation William is torn must he care out his duty or advocate a cause which he knows in his heart to be morally and ethically right Since he was a conscripted diplomat being named embassy charge d affaires should have been the crowning achievement for William Donaldson However as Russia spirals ever deeper into chaos and revolution his posting becomes a curse Caught up in a web of intrigue woven by America's inept luxury-loving ambassadors William is a witness to the final overthrow of Russia's imperial family His dealings with the weak Russian provisional government will provide William with a textbook example chronicling the pitfalls of democracy As the faltering democratic provisional government splinters and becomes mired in gridlock the Russian people become truly desperate Knowing how desperate people will do desperate things the situation becomes ripe for Vladimir Lenin and his henchmen to finally implement their own vision for Russia's future without any annoying outside interference When that model is forcibly imposed William can only lament at what he sees as the consequence for the Russian people of being yoked to the science of communism Is Russia's exploited peasant population any better off than they were before

Americans had ever put in the field Much of that army s success was attributable to its cavalry arm led by Maj Gen J E B Jeb Stuart But while Stuart could literally run rings around the enemy Union arithmetic and expertise were gradually catching up In Year of Desperate Struggle author Monte Akers tracks Stuart and his cavalry from Gettysburg to the Overland Campaign concluded only when Jeb himself succumbed to a gunshot wound at the gates of Richmond It was a year of grim casualties and ferocious fighting in short a year of desperate struggle with the gloves off on both sides In this sequel to Year of Glory historian Monte Akers provides a minute examination of Stuart s cavalry during the controversial Gettysburg campaign followed by nine months of sparring during which the Union Army of the Potomac declined to undertake further thrusts against Virginia After Stuart s death the Army of Northern Virginia would eventually be cornered but while he was alive it was often the Northerners who most needed to look to their security Crown of Thorns Stephane Groueff,1998-08-06 A fascinating biography of Bulgaria s tragic monarch Boris III based on private correspondence and extensive interviews with members of the Bulgarian royal family The son of King Ferdinand of Saxe Coburg Gotha Boris became king after the first World War Noted for defying Hitler wishes for Bulgaria s Jews the popular king died mysteriously in 1943 after a stormy meeting with Hitler **Legends Lost** Katheryn Shelly,2021-02-22 Welcome to the kingdoms of Crystal City and Hagville where two royal children reside Young beautiful Princess Arabella lives in Crystal City while the youthful adventurous Prince Elgrin dwells in Hagville Individually they are both content fulfilled children until a full moon brings them together in a chance encounter Maybe it wasn t a chance encounter at all but prophecy as they meet at the energy wall at the border between kingdoms Now they must overcome dangerous adventures and mishaps as they grow into adults and also grow closer together Step into a land of legend as two young royals quest to save their kingdoms their people and the world
