if everything you've heard about leadership is wrong. Secular models of leadership rooted in pragmatic success dominate Christian leadership in the West. It makes our work impersonal and exploitive. And at worst it serves the leader rather than those the leader leads. We need a different style of leadership, one patterned after Jesus. We need to learn to influence others out of our character for that is what Jesus did. The Christian Leader is not about improving your church, your work, or your family; it is about changing how you lead. It does more than teach you how to modify your behavior; it shows you how to change the sources of your behavior, your motives, and reasons for being a Christian leader. In the end, as everything you know and believe about Christian leadership is transformed, it will lead to transformation in those you lead and serve.

God's Missionary People Charles E. Van Engen, 1991-09. A world claiming theology of the church draws on ancient and modern thoughts. The author focuses on how the church can grow to become in reality God's missionary people.

Courageous Hope Leonard Doohan, 2011. Outlines a spirituality of leadership that challenges leaders to present a vision of hope to excite and empower others to be prophets, mystics, charismatics, and healers to transform society and to effectively respond to the world that is desperate for leaders of hope.

Who Am I? David K. Lee, 2002-12

Modeling Servant-Leaders for Africa Brown Ikenye, 2010-12-29. This book seeks to help African Christian leaders to follow the notions of biblical leadership as servanthood and to train men and women with biblical and academic knowledge which will be critical, practical, pastoral, and applicable in the Kenyan context and participate in the discovery, transmission, and preservation of knowledge and stimulate the intellectual life and cultural development of Kenya.

A Leader After God's Own Heart Jim George, 2012-04-01. From the author of the bestseller *A Man After God's Own Heart* (more than 100,000 copies sold), a survey of God's priorities for leaders as exhibited in the life of Nehemiah. The Bible is filled with amazing people, and Nehemiah stands out prominently among them. What made him so effective, so influential? It starts with knowing what God desires in a leader. From Nehemiah's example, readers will learn 15 ways to lead with purpose. Among them are giving direction to your leadership by cultivating a vision for the future, solidifying your leadership by recognizing the value of conviction, refining your leadership by acquiring problem-solving skills, validating your leadership by pursuing personal integrity, extending your leadership by understanding the power of motivation. Because it is God who enables us, these great qualities are accessible to every believer. Readers will experience real fulfillment as they take steps toward becoming God's kind of leader.
