The Making Of A Nation A History Of The Union Of South Africa 1910 1961

Ian van der Waag

The Making Of A Nation A History Of The Union Of South Africa 1910 1961:

The Making of a Nation ,1961 *The Making of a Nation* Daniel Wilhelmus Krüger,1969 The Making of a Nation Daniel W. Krüger,1977 **The Making of a Nation** D. W. Krüger,1969 *The Road to Democracy in South Africa: 1970-1980* South African Democracy Education Trust,2004 v 3 The third volume in the series examines the role of anti apartheid movements around the world The global anti apartheid movement was very successful in creating awareness of the liberation struggle in South Africa and in contributing to the downfall of the apartheid government This volume in 2 parts brings together analyses which in the main are written by activist scholars with deep roots in the movements and organizations they are writing about **The Making of a Nation** C. Shields,1964 **A Military History of Modern South Africa** Ian van der Waag,2018-03-14 The story of a century of conflict and change from the Second Boer War to the anti apartheid movement and the many battles in between Twentieth century South Africa saw continuous often rapid and fundamental socioeconomic and political change The century started with a brief but total war Less than ten years later Britain brought the conquered Boer republics and the Cape and Natal colonies together into the Union of South Africa The Union Defence Force later the SADF was deployed during most of the major wars of the century as well as a number of internal and regional struggles the two world wars Korea uprising and rebellion on the part of Afrikaner and black nationalists and industrial unrest The century ended as it started with another war This was a flash point of the Cold War which embraced more than just the subcontinent and lasted a long thirty years The outcome included the final withdrawal of foreign troops from southern Africa the withdrawal of South African forces from Angola and Namibia and the transfer of political power away from a white elite to a broad based democracy This book is the first study of the South African armed forces as an institution and of the complex roles that these forces played in the wars rebellions uprisings and protests of the period It deals in the first instance with the evolution of South African defense policy the development of the armed forces and the people who served in and commanded them It also places the narrative within the broader national past to produce a fascinating study of a century in which South Africa was uniquely embroiled in three total wars A History of the AbaThembu People from Earliest Times to 1920 Jongikhaya Mvenene,2020-10-02 This book is an account of the history of the abaThembu from the reign of uKumkani Nxeko in c 1650 to the death of uKumkani Dalindyebo in 1920 The importance of this cut off date lies in the fact that uKumkani Dalindyebo s reign was characterised by relative stability compared to those of his predecessors His prestige however was demeaned by the Department of Native Affairs Secretary whose instruction was that uKumkani Dalindyebo should not be addressed as a paramount chief as that title applied exclusively to the government thereby strengthening the government s position and elevating it to be above customary law AbaThembuland was and still is central to the history of the former Transkei region and South Africa Not only does it form part of the former Transkei region but it also constitutes South Africa and so divisions conflicts developments and or underdevelopments in abaThembuland

inevitably affected not only the former Transkei region but also the greater part of South Africa in no small measure Thus the history of abaThembuland and the divisions thereof overlap with the history of the former Transkei region and South Africa

Racial Segregation and the Origins of Apartheid in South Africa, 1919-36 Saul Dubow, 1989-07-03 Based on extensive archival research in South Africa and drawing on the most recent scholarship this book is an original and lucid exposition of the ideological political and administrative origins of Apartheid It will add substantially to the understanding of contemporary South Africa

Deconstructing Apartheid Discourse Aletta J. Norval, 1996-04-17 The book thus seeks to trace the construction and contestation of the central axes around which its political frontiers were organized

Constitutions of Nations Amos Jenkins Peaslee, Dorothy Peaslee Xydis, 1974-09 Compilation of texts of the constitutions of Algeria Botswana Burundi Cameroon the Central African Republic Chad Congo Benin Egypt Equatorial Guinea Ethiopia Gabon Gambia Ghana Guinea Cote d Ivoire Kenya Lesotho Liberia Libyan Arab Jamahiriya Madagascar Malawi Mali Mauritania Mauritius Morocco Niger Nigeria Rhodesia Zimbabwe Rwanda Senegal Sierra Leone Somalia South Africa R Sudan Tanzania Togo Tunisia Uganda Burkina Faso Zaire and Zambia Bibliographys

Historical Dictionary of South Africa Christopher Saunders, Peter Limb, 2020-12-15 As the most influential and powerful country on the entire continent of Africa an understanding of South Africa s past and its present trends is crucial in appreciating where South Africans are going to and from where they have come South Africa changed dramatically in 1994 when apartheid was dismantled and it became a democratic state Since 2000 when the previous edition appeared further big changes occurred with the rise of new political leaders and of a new black middle class There were also serious problems in governance in public health and the economy but with a remarkable popular resilience too This third edition of Historical Dictionary of South Africa contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about South Africa

The Press and Apartheid William A. Hachten, C. Anthony Giffard, 1984-06-18

The Commonwealth, South Africa and Apartheid Stuart Mole, 2023-05-31 This book explores the role of the modern Commonwealth in the international campaign against apartheid in South Africa Spanning the period of South Africa s apartheid state from its foundation in 1948 until its ending in April 1994 the author demonstrates that after the 1960 Sharpeville massacre and South Africa s subsequent exclusion from the Commonwealth the organisation was able to become both pathfinder and interlocutor on the road to South Africa s freedom As well as South Africa s ejection from the Commonwealth apartheid s increasing isolation was sustained by the Commonwealth s pioneering work in boycotting apartheid sport as well as campaigning to stop arms sales It also played an important role in internationalising economic and financial sanctions credited by some as the final nail in apartheid s coffin and was able to make an important and distinctive contribution to the transition to democracy At the same time critical

debates within the Commonwealth about racial and political equality transformed the association from a docile post imperial organisation led by the UK and in its own interests to a modern multiracial North South forum for reconciling global difference and overcoming the legacies of colonialism This comprehensive and authoritative account of the Commonwealth's engagement with apartheid South Africa is intended for all those who study and research the modern Commonwealth its structure and influence and for those with a general interest in contemporary post war history

El Alamein and the Struggle for North Africa Jill Edwards, 2012-10-01 This new collection of studies presents fresh insights into a war fought over unusually difficult terrain and with exceptional supply demands From the ongoing Italian geomorphic study of the Alamein arena to individual memories of non combatant Alexandrians from the Free French to the seasoned colonial forces of Australia India New Zealand and South Africa and from vital naval engagements and the siege of Malta to the study of Rommel's leadership and the Churchill Montgomery duo this book presents the reader with a detailed yet broad reassessment of the complexities of the war in North Africa between 1941 and 1943 its technology philosophy military doctrine strategy tactics logistics and the associated local and international politics Writing from the perspectives of some of the many nations whose armies were involved in the conflict fifteen historians bring to their work the precision of their national historical archival sources in clear and spritely narratives

The Oxford History of the British Empire: Volume V: Historiography Robin Winks, 2001-07-26 The Oxford History of the British Empire is a major new assessment of the Empire in the light of recent scholarship and the progressive opening of historical records From the founding of colonies in North America and the West Indies in the seventeenth century to the reversion of Hong Kong to China at the end of the twentieth British imperialism was a catalyst for far reaching change The Oxford History of the British Empire as a comprehensive study helps us to understand the end of Empire in relation to its beginning the meaning of British imperialism for the ruled as well as for the rulers and the significance of the British Empire as a theme in world history This fifth and final volume shows how opinions have changed dramatically over the generations about the nature role and value of imperialism generally and the British Empire more specifically The distinguished team of contributors discuss the many and diverse elements which have influenced writings on the Empire the pressure of current events access to primary sources the creation of relevant university chairs the rise of nationalism in former colonies decolonization and the Cold War They demonstrate how the study of empire has evolved from a narrow focus on constitutional issues to a wide ranging enquiry about international relations the uses of power and impacts and counterimpacts between settler groups and native peoples The result is a thought provoking cultural and intellectual inquiry into how we understand the past and whether this understanding might affect the way we behave in the future

Louis Botha Richard Steyn, 2018-09-17 In A Man Apart Richard Steyn once again brings to life a South African icon Louis Botha was the first Prime Minister of the Union of South Africa a union he did much to create in the decade after the devastation of the Anglo Boer War During the war Botha was a

brilliant young Boer general who through his battlefield strategy won significant victories over the British in the early stages of the war When the weight of British arms overwhelmed the Boers Botha along with Smuts did much to encourage peace between English and Afrikaner and led the country to Union in 1910 and dominion status Botha was a big hearted and generous man who showed magnanimity in his dealings with all including former enemies He led the South African troops to victory and the capture of German South West Africa prior to this he had to put down a revolt of pro German Afrikaners At the Peace of Versailles representing South Africa he pleaded unsuccessfully for magnanimity towards the Germans Botha was a globally respected figure he and Smuts effectively operated as a double act in South Africa and on the international stage before Botha s untimely death in August 1919 at only 57 In A Man Apart this tragically short life is illuminated in full

Cecil Rhodes John Flint,2009-10-31 A biography of the businessman and politician Cecil Rhodes **Harry Oppenheimer** Michael Cardo,2023-03-05 This book will surely be the most readable best informed most complete account of Harry Oppenheimer s life there is ever likely to be Bill Nasson historian and author As chairman of Anglo American and De Beers Harry Oppenheimer held sway over his family s gold and diamond empire for a quarter of a century He combined a passion for commerce with a streak of creative genius In this the first comprehensive biography of Oppenheimer Michael Cardo has produced a vivid portrait based on unrestricted access to his subject s private papers and interviews with Oppenheimer s relatives and associates Cardo brings to life the places people and events that shaped Oppenheimer s career at the intersection of business and politics From the diamond fields of Kimberley where his father Ernest arrived to seek his fortune in 1902 through his long apprenticeship as heir apparent to Harry Oppenheimer s emergence on the world stage as a magnate and monarch in his own right the King of Diamonds and the man with the Midas touch Cardo tells the story of a dynasty As a financier philanthropist and public figure Oppenheimer straddles the history of 20th century South Africa In the 1950s the National Party regarded him as a threat to Afrikanerdom the sinister embodiment of English money power Forty years later Nelson Mandela praised Oppenheimer as a nation builder a key figure in South Africa s transition to democracy Yet nowadays Oppenheimer is demonised in some quarters as the archetype of white monopoly capital and blamed in part for democracy s disappointing dividends Meticulously researched and superbly written this authoritative work sheds new light on the multifaceted legacy of a renowned South African industrialist **Democracy and Governance Review** Yvonne G. Muthien,Meshack M. Khosa,Bernard Magubane,2000 Authoritarian regimes of various sorts have crumbled worldwide to give way to liberal constitutional democracies Prerequisites for the consolidation of the new democracies are regular free and fair elections granting political parties legitimate authority and citizens protection by the rule of law
